This Declaration and all subsequent Tract Declarations are declared and agreed to be in furtherance of a general plan for the subdivision, development, improvement and sale of Robson Ranch Denton Resort Community and are established for the purpose of enhancing and

perfecting the value, desirability and attractiveness of Robson Ranch Denton Resort Community and every part thereof. All of this Declaration and applicable Tract Declarations shall run with Robson Ranch Denton Resort Community for all purposes and shall be binding upon and inure to the benefit of Declarant, the Association, all Owners and Residents and their successors in interest. In adopting rules or requirements related to use of Common Areas or recreational amenities in Robson Ranch Denton Resort Community by persons other than Owners, the Board shall give meaningful consideration to the impact of such use on the enjoyment of Common Areas and recreational amenities by Owners.

3.3 Rights of Ingress and Egress. Every Owner shall have an unrestricted right of ingress and egress to the Owner's Lot and/or Parcel. This right shall be perpetual and shall be appurtenant to and shall pass with title to the Owner's Lot or Parcel. This right shall be over the following areas:

In the event any structure on any Lot, Parcel, Common Area or other area is repaired, altered or reconstructed in accordance with the original plans and specifications or subsequent plans and specifications of Declarant or its affiliates, similar encroachments shall be permitted and an easement for any such encroachment and for the maintenance thereof shall exist.

3.5 Use of Facilities by Rental Apartment Residents. Notwithstanding anything to the contrary contained in this Section 3, unless otherwise provided in an applicable Tract Declaration for an Apartment Development, Owners of Rental Apartments shall have the right to authorize the Residents of their Rental Apartments to use those Common Areas and facilities that are otherwise limited to use by Members of the Association or for which preference is given to Members of the Association, upon the same terms and conditions as Members of the Association, provided that the Association is paid, with respect to each Rental Apartment that contains Residents who are so authorized, an amount equal to 1/2 of the Annual Assessments that would be required in the year of use for the Rental Apartment if the Rental Apartment were a Lot. All such amounts shall be payable only with respect to those Rental Apartments that contain Residents who are authorized to use such Common Areas and facilities by the Owner of the Rental Apartments. Any such authorization by the Owner of a Rental Apartment may be made or withdrawn at any time or times. However, Declarant shall have the right to authorize Residents of Rental Apartments owned by Declarant to use the Common Areas and facilities, and neither Declarant nor such Residents shall be obligated to pay the Association the amounts provided for in this Section if the Rental Apartments are used by Declarant for marketing purposes including, but not limited to, use by potential purchasers of Lots or Parcels at Robson Ranch Denton Resort Community. The amounts payable to the Association pursuant to this Section with respect to any Rental Apartment shall be prorated for the period during which the authorization by the Owner of the Rental Apartment exists.

Any such Tract Declaration may include additional covenants and restrictions and shall be construed as a supplement to this Declaration and fully a part hereof for all purposes to the same extent as if all of the provisions thereof were set forth in this Declaration. Declarant may also record one or more supplemental Tract Declarations against portions of Robson Ranch Denton Resort Community owned by Declarant, which are already subject to a Tract Declaration, for the purpose of adding to the covenants, conditions, and restrictions applicable to those portions, so long as the terms of the supplemental Tract Declaration do not materially conflict with the terms of the Tract Declaration already applicable to the same land. - (i) Utility or Well-Site Use, including maintenance and storage related thereto.

- (j) General Public or Quasi-Public Uses approved by Declarant including, but not limited to, libraries and parks which are not Association Land and fire stations.
- (k) Cluster Residential Use, which shall consist of Lots with Dwelling Units intended for Single Family occupancy and may include those types of residential housing arrangements known as townhouses, clustered housing, duplexes, zero-lot line housing and similar arrangements, together with any related amenities.
- (l) Resort, Hotel or Motel Use, including time share apartments and condominiums.
- (m) Church Use.

Notwithstanding anything to the contrary contained in this Declaration, except as otherwise expressly provided in applicable Tract Declarations for Parcels within Commercial Areas, Commercial Areas shall be exempt from any and all architectural restrictions contained in this Declaration, including, but not limited to, the provisions of Section 4.2.1, Section 5.3, and Section 11 hereof, and from any and all Assessments and charges by the Association. Unless otherwise specifically provided in this Declaration, the definitions and characteristics of all Land Use Classifications, and specific permitted and prohibited uses in such Classifications or any subclassifications or combined classifications, shall be determined in the Tract Declaration and shall be within the complete discretion of Declarant. Each Tract Declaration and each subdivision plat may be modified, amended or revoked at any time by Declarant as to all or any portion of the land that is subject to the Tract Declaration or plat, without the consent of any Owners other than the Owner(s) of the land that is the subject of the modification, amendment or revocation. If the Association is the Owner of real property that is subject to any such modification, amendment or revocation, Declarant shall not be required to obtain the Association's consent to any such action prior to the Transition Date. In addition, each Tract Declaration and plat may be modified, amended or revoked at any time by Declarant (so long as Declarant or any of its affiliates owns any portion of Robson Ranch Denton Resort Community or any interest therein) and Owners of the Lots that are subject to the Tract Declaration or plat casting 2/3 of the votes cast at an election held for such purposes, with or without a meeting of the Owners. Notwithstanding the foregoing, no modification, amendment or revocation shall be effective if it would leave any Lot which is not owned by Declarant without legal access. No Tract Declaration or plat may be modified, amended or revoked without Declarant's consent to and signature on the modification, amendment or resolution so long as Declarant or any of its affiliates owns any portion of the Community or any interest therein. All Tract Declarations shall be subject to applicable zoning laws.

4.2 Covenants Applicable to Lots, Parcels and Other Areas Within All Land Use Classifications. Except as otherwise expressly provided in this Section 4.2 or elsewhere in this Declaration, the following Covenants and rights shall apply to all Lots, Parcels and other areas in Robson Ranch Denton Resort Community, and the Owners, Residents and tenants thereof,

whether or not a Tract Declaration has been recorded for it and regardless of the Land Use Classification of it:

4.2.1 Architectural Control. Except as otherwise expressly provided in this Declaration, in the Architectural and Landscape Guidelines or in any applicable Tract Declaration that has been signed by Declarant, (i) no improvements (whether temporary or permanent), alterations, repairs, excavation, grading, lighting, painting, landscaping or other work that in any way alters the exterior appearance of any property within Residential Areas of Robson Ranch Denton Resort Community or improvements thereon from its natural or improved state existing on the date this Declaration is recorded shall be made or done, and (ii) no building, fence, exterior wall, residence, statue, or other structure shall be commenced, erected, improved, altered or made within Residential Areas of Robson Ranch Denton Resort Community, without the prior written approval of the Architectural and Landscape Committee. Any subsequent addition to or change or alteration in any such building, fence, wall or other structures that affects the exterior appearance thereof, including exterior color scheme, and any change in the grade, outside lighting or landscaping of any Residential Area in Robson Ranch Denton Resort Community, shall be subject to the prior written approval of the Architectural and Landscape Committee. No change or deviation in or from the plans and specifications approved by the Architectural and Landscape Committee shall be made without the prior written approval of the Architectural and Landscape Committee. In addition, fences constructed between Lots must be designed and constructed so as to satisfy requirements established by the Association for drainage purposes. Once construction of an improvement has been commenced, the Owner shall diligently pursue completion of the improvement in accordance with approved plans. Declarant, Owners of Commercial Areas and tenants of Commercial Areas shall be exempt from the requirements of this subsection and therefore all improvements, alterations, repairs, excavation, grading, lighting, landscaping or other work performed, constructed or installed by Declarant or Owners or Tenants of Commercial Areas shall be deemed approved by the Architectural and Landscape Committee.

4.2.2 Animals. Except as otherwise expressly permitted in an applicable Tract Declaration, no animals or birds, other than a reasonable number of generally recognized house or yard pets, shall be kept on any Lot, Parcel or other area in Robson Ranch Denton Resort Community and then only if they are kept, bred or raised thereon solely as domestic pets and not for commercial purposes. All pets must be kept in a fenced yard or on a leash or otherwise appropriately restrained at all times. No animal or bird shall be allowed to make an unreasonable amount of noise or to become a nuisance or an annoyance to other Owners or Residents. It shall be the responsibility of each Owner to remove immediately any droppings from pets. No structure for the care, housing or confinement of any animal or bird shall be maintained so as to be Visible From Neighboring Property, unless otherwise approved by the Board. Upon written request of any Owner or Resident, the Board shall conclusively determine, in its sole and absolute discretion, whether, for the purposes of this subsection, a particular animal or bird is a generally recognized house or yard pet, whether a pet is a problem or nuisance, and whether the number of animals or birds on any particular portion of the Community is reasonable. Any decision rendered by the Board shall be enforceable in the same manner as other restrictions

contained herein. Exempt from the foregoing restrictions are pet shops, veterinarian offices, animal hospitals or laboratories in a General Commercial Land Use Classification.

4.2.3 Temporary Occupancy and Temporary Buildings. No trailer, incomplete building, tent, shack, garage or barn, and no temporary buildings or structures of any kind, shall be used at any time for a residence, either temporary or permanent. Temporary buildings or structures used by Declarant, its affiliates, subcontractors or employees, or by Owners and Tenants of Commercial Areas, may be used on any portion of the Community for construction, repair or sales purposes.

4.2.4 Maintenance of Landscaping and Driveways. Unless otherwise provided in a recorded instrument approved by Declarant, each Owner shall be responsible for the proper maintenance of all landscaping in the following locations: (i) the Owner's Lot or Parcel (including set back areas and Common Areas located thereon); (ii) public right-of-way areas between sidewalks (or bike paths) and the street curb on the front or side of the Lot or Parcel; (iii) public areas between a sidewalk and the Lot or Parcel boundary; and (iv) other public or easement areas adjacent to the Owner's Lot or Parcel. However, if the maintenance of these areas is the responsibility of the Association, an Ancillary Association, a utility, or a governmental or similar authority, then an Owner shall be responsible for such maintenance only for so long as the other entities are not performing required maintenance. As used herein, maintenance shall include, but not be limited to, keeping the areas neatly trimmed, cultivated and free of trash, weeds and unsightly material. The character of the landscaping must be such as to complement landscaping established in the Common Areas or, in Residential Areas, as required by the Architectural and Landscape Committee. Landscaping in the areas described above shall be completed by the Owner at the Owner's expense within 90 days after closing of the initial purchase of the Dwelling Unit on the Owner's Lot. The landscaping shall be of quality compatible with the development and shall otherwise be in compliance with this subsection. In order to meet the 90-day requirement, the Owner should endeavor to submit plans that satisfy the Architectural and Landscape Committee guidelines as soon as reasonably possible following the closing of the initial purchase of the Dwelling Unit. If the landscaping is not completed in accordance with the approved plans within 90 days after closing of the initial purchase of the Dwelling Unit on the Owner's Lot, the Association shall have the right to install landscaping selected by the Association on the Owner's Lot at the expense of the Owner (and secured by the Assessment Lien). The landscaping requirements of this subsection shall not apply to Declarant or its affiliates. Each Owner shall also maintain in good condition and repair all paved and concrete areas, including driveways, roadways, sidewalks and parking areas, located on the Owner's Lot or Parcel and shall sweep and keep in a neat and clean condition all sidewalks located between the Owner's Lot and any front and side streets.

4.2.5 Nuisances; Construction Activities. No weeds, dead trees or plants, rubbish or debris of any kind shall be placed or permitted to accumulate upon or adjacent to any Lot, Parcel or other area in Robson Ranch Denton Resort Community, and no odors or loud noises shall be permitted to arise or emit therefrom, so as to render any such area or activity thereon unsanitary, unsightly, offensive or detrimental to any other property in the vicinity thereof or to the Owner or occupant of any such other property. No other nuisance shall be permitted to exist

or operate upon any Lot, Parcel or other area in Robson Ranch Denton Resort Community. The Architectural and Landscape Committee shall have the exclusive right to determine the existence of any nuisance within Residential Areas. Without limiting the generality of any of the foregoing provisions and except as otherwise permitted herein, no exterior speakers, horns, whistles, firecrackers, bells or other sound devices, except security devices used exclusively for security purposes, shall be located, used or placed on any such portion of the property. Normal construction activities and parking in connection with the building of improvements in Robson Ranch Denton Resort Community shall not be considered a nuisance or otherwise prohibited by this Declaration, but Lots and Parcels shall be kept in a neat and tidy condition during construction periods, trash and debris shall be removed periodically and, in Residential Areas, supplies of brick, block, lumber and other building materials will be piled only in such areas as may be approved by Declarant or the Architectural and Landscape Committee. An Owner shall be responsible for all on-site and construction trash and debris occasioned by his contractors and subcontractors and shall remove all such trash and debris within a reasonable period of time. In addition, any construction equipment and building materials stored or kept on any Lot or Parcel may be kept only in areas approved by Declarant or the Architectural and Landscape Committee. It is acknowledged that normal construction activities may be noisy and may require the use of exterior speakers and that exterior speakers may be needed on the Golf Course Land, and such use of exterior speakers is expressly permitted. Notwithstanding anything in this Section to the contrary, this Section shall be subject to the provisions of Section 4.2.28 hereof.

4.2.6 Diseases and Insects. No Owner shall permit any thing or condition to exist upon any Lot, Parcel or other area which shall include, breed or harbor diseases or insects.

4.2.7 Repair of Building. No building or structure on any area in Robson Ranch Denton Resort Community shall be permitted to fall into disrepair and each such building and structure shall at all times be kept in good condition and repair and adequately painted or otherwise finished. In the event any building or structure is damaged or destroyed, then, subject to the approvals required by subsection 4.2.1 hereof, the building or structure shall be promptly repaired, rebuilt or demolished. In the event a Lot Owner fails to comply with this provision, the Board may give notice to the offending Lot Owner, and may then proceed to repair the building or improvement and charge the Lot Owner for the cost of repair as permitted in Section 10.3 hereof.

4.2.8 Antennas. Subject to any applicable requirements of governmental authorities having jurisdiction, no antenna, satellite receiving station or other device for the transmission or reception of television or radio signals or any other form of electromagnetic radiation shall be erected, used or maintained outdoors on any area in Robson Ranch Denton Resort Community (whether attached to a building or structure or otherwise) so as to be Visible From Neighboring Property, unless approved by Declarant or the Architectural and Landscape Committee. Declarant or the Architectural and Landscape Committee may permit one or more aerial satellite dishes, and/or other apparatus and equipment for an antenna or cable system for the benefit of all or portions of Robson Ranch Denton Resort Community.

4.2.9 Natural Gas and Mineral Exploration and Extraction. Declarant is reserving to itself and its designees all of Declarant's right, title and interest in and to all water, oil, gas and minerals from the Community and all rights thereto, including but not limited to the right to extract such materials, and other Owners will not have any right to any portion thereof or interest therein. Without limiting the foregoing, Declarant and its designees shall have the right to drill for natural gas in Robson Ranch Denton Resort Community and to extract natural gas. Other Owners will not bear the cost of such drilling or extraction or have any right to share in the proceeds of the drilling or extraction. Natural gas has been discovered under land in the vicinity of Robson Ranch Denton Resort Community, and it is believed that natural gas also will be found under the Community. Certain areas within the Community will be designated on the recorded plats or in recorded Tract Declarations for use for natural gas drilling or extraction or for related or similar purposes. No drilling or extraction of natural gas shall take place within any platted subdivisions except in the areas designated for such use or permitted in either the recorded plats or recorded Tract Declarations. From those sites, it will be possible to drill and extract natural gas from beneath the Community without disturbing the surface of the land, other than on those sites. Further, except for Parcels designated for such purposes in recorded plats or recorded Tract Declarations, no area in Robson Ranch Denton Resort Community shall be used in any manner to drill for or extract any water, oil or other hydrocarbons, minerals of any kind, gravel, earth or any earth substances of any kind (other than normal landscaping approved by the Architectural and Landscape Committee), without the prior written consent of Declarant, which consent may be granted or withheld in Declarant's sole discretion. In addition, Declarant reserves the right to grant easements for gas lines, water lines and other utility lines throughout the Common Areas. Each Owner understands that there may be occasions when drilling, extraction or related activities may cause noise or otherwise disturb or inconvenience some Owners. To the fullest extent permitted by applicable law, each person or entity acquiring any interest in or to any Lot or any other portion of the Community automatically is deemed to have waived any and all claims relating to such drilling and extraction and any right to object thereto, and to have consented to such drilling and extraction and to the other provisions of this section.

4.2.10 Trash Containers and Collection. No garbage or trash shall be placed or kept on any Lot, residential Parcel, or other Residential Area in Robson Ranch Denton Resort Community except in covered containers of a type, size and style which are approved by the Architectural and Landscape Committee, and except for garbage or trash produced by Declarant, its affiliates or subcontractors in connection with construction of the subdivision or of any improvements in Robson Ranch Denton Resort Community. Unless otherwise approved by the Architectural and Landscape Committee, such containers shall be maintained and stored so as to not be Visible From Neighboring Property except to make them available for collection. All rubbish, trash and garbage shall be removed from Lots, Parcels and other areas in Robson Ranch Denton Resort Community and shall not be allowed to accumulate thereon. No outdoor incinerators shall be kept or maintained in Robson Ranch Denton Resort Community.

4.2.11 Clothes Drying Facilities. No outside clotheslines or other outside facilities for drying or airing clothes shall be placed or maintained in Robson Ranch Denton Resort Community unless they are not Visible From Neighboring Property.

4.2.12 Machinery and Equipment. No machinery or equipment of any kind shall be placed, operated or maintained in Robson Ranch Denton Resort Community except (i) such machinery or equipment as is usual and customary in connection with the use, maintenance or construction (during the period of construction) of an approved building, appurtenant structures, or other improvements; (ii) that which Declarant or the Association may require for the operation and maintenance of Robson Ranch Denton Resort Community ; or (iii) that used or displayed in connection with any business or operation permitted under a Tract Declaration.

4.2.13 Signs. - No signs which are Visible From Neighboring Property shall be erected or maintained in Residential Areas of Robson Ranch Denton Resort Community except:

- (a) Signs required by legal proceedings;
- (b) Identification signs for individual detached residences, provided the number and specifications of the signs satisfy criteria established by the Architectural and Landscape Committee from time to time;
- (c) Such other signs including, but not limited to, signs erected by Declarant or its affiliates and construction job identification signs, directional signs and subdivision identification signs, as may have been approved in writing by the Architectural and Landscape Committee or by Declarant; and
- (d) "For sale" or "for rent" signs for individual Dwelling Units, provided the number and specifications of the signs satisfy criteria established by the Architectural and Landscape Committee from time to time. The Board, the Association, the Architectural and Landscape Committee, or their agent may enter a Lot for the purpose of removing any "for sale" or "for rent" signs that do not comply with Architectural and Landscape Committee standards or do not otherwise comply with this subsection.

4.2.14 Restriction on Further Subdivision, Property Restrictions and Rezoning. No Lot or Parcel shall be further subdivided or separated into smaller Lots or Parcels by any Owner or other person, and no portion less than all of any Lot or Parcel, nor any easement or other interest therein, shall be conveyed or transferred by any Owner, without the prior written approval of Declarant. This provision shall not apply to transfers of an individual ownership interest in the whole of any Lot or Parcel or to mortgages, deeds of trust or other liens on the whole of any Lot or Parcel. Notwithstanding anything to the contrary contained in this Declaration, Declarant reserves and shall retain the right to subdivide, separate, re-subdivide or combine into Lots or Parcels any property at any time owned or controlled by Declarant. Unless otherwise approved by Declarant, no buildings or other permanent structures shall be constructed on any areas in Robson Ranch Denton Resort Community until a Tract Declaration has been recorded against the land where the structure is to be constructed. No subdivision plat, Tract Declaration or further covenants, conditions, restrictions or easements shall be recorded by any Owner or other person against any property in Robson Ranch Denton Resort Community unless the provisions thereof have first been approved in writing by Declarant. Any plat, Tract

Declaration or other covenants, conditions and restrictions or easements recorded without such an approval being evidenced thereon shall be null and void. Once a Parcel has been subdivided into Lots by a recorded plat, that Parcel may not be re-subdivided without the approval of Declarant. No application for rezoning of any Lot or Parcel, and no application for variances or use permits, shall be filed with any governmental authority unless the proposed use of the property has been approved by Declarant and the proposed use otherwise complies with this Declaration and any applicable Tract Declaration.

4.2.15 Utility Easements. There is hereby created a blanket easement upon, across, over and under Robson Ranch Denton Resort Community for ingress to, and egress from, and the installation, replacing, repairing and maintaining of, all utility and service lines and systems including, but not limited to, water, sewer, gas, telephone, electricity, television cable or communication lines and other systems as such utilities are installed in connection with the initial and ongoing development of Robson Ranch Denton Resort Community. Pursuant to this easement, a providing utility or service company may install and maintain facilities and equipment on the property and affix and maintain wires, circuits and conduits on, in and under the roofs and exterior walls of buildings on the property. Notwithstanding anything to the contrary contained in this subsection, no sewers, electrical lines, waterlines, or other utilities or service lines, facilities or equipment may be installed or relocated on any area in Robson Ranch Denton Resort Community pursuant to this easement without the consent of Declarant, except as initially planned and approved by Declarant or, if installed on a Lot or Parcel after recordation of the Tract Declaration, as permitted by an otherwise valid easement or as approved by the Owner of the Lot or Parcel.

4.2.16 Party Walls. Except as hereinafter provided, the rights and duties of Owners of contiguous properties which have Party Walls shall be as follows:

- (a) Each Owner shall have the right to use the Party Wall, provided that such use does not interfere with the other Owner's use and enjoyment of the Party Wall.
- (b) If a Party Wall is damaged or destroyed through the act or failure to act of an Owner or any of the Owner's tenants, agents, guests or members of the Owner's family (whether or not the act is negligent or otherwise culpable), it shall be the obligation of the Owner to promptly rebuild and repair the Party Wall without cost to the Owner of the adjoining property.
- (c) In the event any Party Wall is destroyed or damaged (including deterioration from ordinary wear and tear and lapse of time), other than by the act or failure to act of an adjoining Owner, his tenants, agents, guests or family, it shall be the obligation of all Owners whose properties adjoin the Party Wall to rebuild and repair the Party Wall at their joint expense, with the expense to be allocated among the Owners in accordance with the frontage of their respective properties on the damaged or destroyed Party Wall.

- (d) In the event of a dispute between Owners with respect to the construction, repair or rebuilding of a Party Wall, or with respect to the sharing of the cost thereof, the adjoining Owners shall submit their dispute to the Board and the Board's decision shall be binding. Notwithstanding any such decision, an Owner may seek indemnity from any party causing the damage.
- (e) Notwithstanding the foregoing and unless otherwise indicated in an applicable Tract Declaration or other recorded document, in the case of Party Walls (1) between Common Areas and Lots and Parcels, or (2) constructed by Declarant or the Association on Common Areas within a Lot or Parcel, the Association shall be responsible for all maintenance thereof, subject to the provisions of Sections 10.2 and 10.3 hereof, except that each Owner of a Lot or Parcel shall remain responsible for painting and maintaining the surface of the portion of the Party Wall facing his Lot or Parcel and/or the portion of the Party Wall which is not a portion of the Common Area, and except that an adjoining Owner shall reimburse the Association for 1/2 of the costs incurred by the Association for any structural repair of the Party Wall located on that Owner's property.
- (f) The provisions of this subsection shall not apply to any Party Wall that separates the interiors of two Dwelling Units or to any Party Wall that also constitutes an exterior wall of a Dwelling Unit. The rights of the Owners of any such Dwelling Units with respect to any such Party Walls shall be governed by the applicable Tract Declaration or by any additional covenants recorded against those Dwelling Units.

4.2.17 Perimeter Walls. All fences constructed by Declarant or its designee adjoining the Golf Course, Common Areas, parks or washes shall be maintained by the Association in accordance with specifications established by the Architectural and Landscape Committee. Subject to the provisions of Sections 10.2 and 10.3 hereof, the perimeter walls constructed by Declarant, if any, shall be maintained by the Association, except that each Owner shall remain responsible for painting and maintaining the surface of the portion of the perimeter wall facing his Lot or Parcel and except that the Owner shall reimburse the Association for 1/2 of the costs of any structural repair of that portion of the perimeter wall located on that Owner's property or on or near that Owner's property boundary. The Board shall have sole discretion with respect to the maintenance of the exterior surface facing rights-of-way and the structural repair of the perimeter walls. The Association shall be responsible for the maintenance of:

- (a) all landscaping immediately outside the perimeter walls and fences and adjoining rights-of-way; and
- (b) all areas immediately outside a perimeter wall and adjoining a Common Area wash, except any maintenance assumed by any governmental entity, by an Ancillary Association, or by the Owner of the adjoining Lot or Parcel.

4.2.18 Utility Service. No lines, wires or other devices for the communication or transmission of electric current or power, including telephone, television and radio signals, shall be erected, placed or maintained anywhere in Robson Ranch Denton Resort Community unless they are contained in conduits or cables installed and maintained underground or concealed in, under or on buildings or other structures, except for:

- (a) boxes on the ground for electrical or communication connections, junctions, transformers and other apparatus customarily used in connection with such underground lines, wires and other devices;
- (b) such above ground electrical apparatus as may be convenient or reasonably necessary on any Well Sites or Parcels designated for Utility Use; and
- (c) those expressly approved by Declarant.

Notwithstanding the foregoing, no above-ground electrical apparatus shall be installed without the approval of Declarant. All lines for the transmission of water and sewage shall also be installed and maintained underground or concealed in, on or under structures approved by Declarant or otherwise installed in a manner approved by Declarant. The installation and location of all utility lines and equipment must be approved in advance by Declarant. Temporary above-ground power or telephone structures and water lines incident to construction activities shall be permitted with the prior consent of Declarant.

4.2.19 Overhead Encroachments. No Owner shall allow any tree, shrub or planting of any kind on such Owner's Lot or Parcel to overhang or otherwise encroach upon any sidewalk, street, bike path, trail, pedestrian way, the Golf Course or other Lot, Parcel or area from the ground level to a height of eight feet without the prior consent of Declarant or the Architectural and Landscape Committee, and the consent of the Owner of the Lot or Parcel encroached upon.

4.2.20 Trucks, Trailers, Campers and Boats. Except for loading and unloading purposes not to exceed 48 hours, no motor vehicle classed by manufacturer rating as exceeding 3/4 ton, mobile home, motor home, trailer, camper shell, detached camper, boat, boat trailer or other similar equipment or vehicle may be parked or stored on any area in Robson Ranch Denton Resort Community so as to be Visible From Neighboring Property; provided, however, this provision shall not apply to (i) pickup trucks of less than 3/4-ton capacity with camper shells not exceeding seven feet in height measured from ground level and mini-motor homes not exceeding seven feet in height and 18 feet in length that are parked as provided in subsection 4.2.22 hereof and are used on a regular and recurring basis for basic transportation; (ii) trucks, trailers and campers parked in a recreational vehicle storage area, if any, within a Residential Area or other areas, if any, designated for such parking in non-residential Land Use Classifications, provided, however, that all such parking areas have been approved by Declarant or the Architectural and Landscape Committee; or (iii) trucks, trailers, temporary construction shelters or facilities

maintained during, and used in connection with, construction of any improvement approved by Declarant or the Architectural and Landscape Committee.

4.2.21 Motor Vehicles. No motor vehicle of any kind shall be constructed, reconstructed or repaired upon any Lot, Parcel or street or other area in Robson Ranch Denton Resort Community, and no inoperable vehicle may be stored or parked so as to be Visible From Neighboring Property; provided, however, that this provision shall not apply to (i) emergency vehicle repairs; (ii) any automobile repair business which may be permitted in any Industrial Park or General Commercial Land Use Classification; (iii) the parking of motor vehicles in garages or other parking areas in Robson Ranch Denton Resort Community designated or approved by Declarant or the Architectural and Landscape Committee so long as such vehicles are in good operating condition and appearance and are not under repair; and (iv) the storage of motor vehicles in an area designated for such purposes on a Tract Declaration or on a site plan approved by Declarant.

4.2.22 Parking. It is intended that on-street parking will be restricted as much as reasonably possible. Vehicles of all Owners and Residents, and of their employees, guests and invitees, are to be kept in garages, carports and other parking areas designated or approved by Declarant or the Board; provided, however, this subsection shall not be construed to permit the parking or storing in the above described areas of any vehicle whose parking or storage is otherwise prohibited herein. The Community Rules may permit temporary parking on streets or other areas in Robson Ranch Denton Resort Community for public or private social events or other permitted activities.

4.2.23 Roofs. No solar panel, air conditioning unit, evaporative cooler or other apparatus, structure or object shall be placed on the roof of a Dwelling Unit without the prior written consent of Declarant or the Architectural and Landscape Committee. Any solar panel approved for placement on a roof must be flush mounted if it is Visible From Neighboring Property.

4.2.24 Window Treatments. Within 90 days of occupancy, each Owner of a Dwelling Unit shall install permanent draperies or suitable window treatments on all windows that are Visible From Neighboring Property. In no event shall windows be covered with paper, aluminum foil, bed sheets or any other materials or temporary coverings not specifically intended for such purposes. No interior or exterior reflective material shall be used as a window covering unless the material has been approved by the Architectural and Landscape Committee.

4.2.25 Drainage. No Owner or Resident shall alter, interfere with or obstruct the drainage pattern over his Lot or Parcel as that pattern may be established or altered by Declarant. In addition, for drainage purposes, the Association shall have the right to require that open areas be maintained under lot line fences or that the fences otherwise meet standards approved by the Association. Because of Texas weather and the expansive soils found in many parts of Texas, including the Community, failure to adequately water house foundations during dry periods or to maintain appropriate drainage away from house foundations during wet times can result in damage to the foundations. Each Owner is responsible for maintaining adequate ground

hydration and drainage on such Owner's property, and neither Declarant nor any of its affiliates, agents or contractors shall have any liability to any one for any Owner's failure to do so.

4.2.26 Garage Openings. Except as may be provided in the Community Rules, no garage door shall be open except when necessary for access to and from the garage. No carport, parking area or garage shall be used to store junk or other unsightly material.

4.2.27 Right of Entry. During reasonable hours and upon reasonable notice to the Owner or other occupant of a Lot or Parcel, any member of the Architectural and Landscape Committee, any member of the Board, and any authorized representative of either of them, shall have the right to enter upon and inspect any Lot or Parcel and the improvements constructed or being constructed thereon (except for the interior portions of any completed and occupied Dwelling Unit and Dwelling Units under construction by Declarant or its affiliates) to determine compliance with this Declaration, the Architectural and Landscape Guidelines, or any approved stipulations issued by the Architectural and Landscape Committee or to perform repairs and maintenance as provided in Section 10.3 hereof. No person shall be deemed guilty of trespass by reason of such an entry. In addition, the Association shall have an easement and right of entry upon each Lot and Parcel at any time, without prior notice, in order to perform emergency repairs.

4.2.28 Declarant's Exemption. Nothing contained in this Declaration shall be construed to prevent or interfere with the erection, maintenance or operation by Declarant or its affiliates or subcontractors, or Designated Builders, of structures, improvements, signs, model homes, sales office and facilities, administrative offices, or other offices or facilities deemed by Declarant to be necessary or convenient to the development, marketing, sale or operation of property within Robson Ranch Denton Resort Community.

4.2.29 Health, Safety, Welfare and Security. In the event additional uses, activities and facilities are deemed by the Board to be a nuisance or to adversely affect the health, safety or welfare of Owners or Residents, the Board may make rules restricting or regulating their presence in Robson Ranch Denton Resort Community; provided, however, that the Board shall have such power only with respect to Residential Areas of Robson Ranch Denton Resort Community.

The Association will strive to maintain the Residential Areas of Robson Ranch Denton Resort Community as a safe, secure residential environment. HOWEVER, NEITHER THE ASSOCIATION NOR DECLARANT SHALL BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OF FAILURE TO PROVIDE ADEQUATE SECURITY OR INEFFECTIVENESS OF SECURITY MEASURES UNDERTAKEN. ALL OWNERS, TENANTS, GUESTS AND INVITEES OF ANY OWNER, AS APPLICABLE, ACKNOWLEDGE THAT DECLARANT AND THE ASSOCIATION, AND COMMITTEES ESTABLISHED BY EITHER OF THEM, ARE NOT INSURERS AND THAT EACH OWNER, TENANT, GUEST AND INVITEE ASSUMES ALL RISK OF LOSS OR DAMAGE TO PERSONS, TO PROPERTY, TO LOTS, TO RESIDENCES AND TO THE CONTENTS OF LOTS AND RESIDENCES AND FURTHER ACKNOWLEDGES THAT DECLARANT HAS

MADE NO REPRESENTATIONS OR WARRANTIES, NOR HAS ANY OWNER, TENANT, GUEST OR INVITEE RELIED UPON ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, RELATIVE TO ANY SECURITY MEASURES RECOMMENDED OR TAKEN.

4.2.30 Model Homes. The provisions of this Declaration and of Tract Declarations which prohibit nonresidential use of Lots and Parcels and regulate parking of vehicles shall not prohibit the construction and maintenance of model homes, sales offices, administrative offices, and parking areas incidental thereto by Declarant and its designees engaged in the construction or marketing of Dwelling Units in Robson Ranch Denton Resort Community.

4.2.31 Incidental Uses. Declarant may approve, regulate or restrict incidental uses of property within any Land Use Classification. By way of example and not of limitation, Declarant may permit private roadways, tennis and/or swimming clubs intended primarily for the benefit of all or certain Owners and Residents, and tennis courts, swimming pools and other recreational amenities.

4.2.32 Leases. Any lease agreement applicable to a Lot must be in writing and must be expressly subject to this Declaration, the Community Rules, the Architectural and Landscape Guidelines, the Articles and the Bylaws. Any violation of these documents by the tenant shall be a default under the lease. An Owner of a Lot shall notify the Association regarding the existence of all leases and shall provide the Association a legible copy. The Lot Owner shall remain liable for compliance with the Declaration, Articles, Bylaws, Community Rules and Architectural and Landscape Guidelines and shall be responsible for any violations thereof by the tenant or the tenant's family and guests. The Community Rules may impose reasonable requirements concerning leases including, but not limited to, minimum duration and may make reasonable distinctions (i) between persons who are Owners and persons who are not Owners, and (ii) between persons who are Residents and persons who are not Residents.

4.2.33 New Construction. All Dwelling Units shall be of new construction. No buildings or other structures shall be moved on to a Lot, Parcel or other area from other locations without the written consent of either Declarant or the Architectural and Landscape Committee. No part of any Dwelling Unit shall be used for living purposes until the entire structure is completed.

4.2.34 Construction. All Dwelling Units and all other buildings in Robson Ranch Denton Resort Community must be constructed by Declarant or its designees. Notwithstanding anything to the contrary in this Declaration, this subsection can be amended, changed, waived or terminated only by Declarant by executing an instrument in recordable form that is recorded in the proper office of record.

4.2.35 Compliance with Law. No Lot, Parcel or other area in Robson Ranch Denton Resort Community shall be maintained or utilized in such a manner as to violate any

applicable statute, ordinance or regulation of the United States of America, the State of Texas, the County of Denton or any other governmental entity or agency having jurisdiction over Robson Ranch Denton Resort Community or any part thereof.

4.2.36 No Modification by Private Agreement. No private agreement of any Owners shall modify or abrogate any of these Covenants or the obligations, rights and duties of the Owners hereunder.

4.3 Covenants Applicable to Lots Within Single Family Residential Land Use Classification. The following Covenants shall apply only to Lots, and the Owners and Residents thereof, within a Single Family Residential Land Use Classification:

4.3.1 General. Property classified as Single Family Residential Use under a Tract Declaration may be used only for the construction and occupancy of one Single Family detached Dwelling Unit per Lot and typical residential activities incidental thereto, such as the construction and use of private swimming pools, together with common recreational facilities or other common areas or amenities, if any. All Lots within such a Land Use Classification shall be used, improved and devoted exclusively to residential uses and no occupation, business, profession, trade or other nonresidential use shall be conducted thereon, except that an Owner or Resident may conduct business activities on a Lot so long as (i) the existence or operation of the business activity is not apparent or detectable by sight, sound or smell from outside the Dwelling Unit; (ii) the business activity conforms to all applicable zoning requirements; (iii) the business activity does not involve door-to-door solicitations of other Owners and Residents; and (iv) the business activity is consistent with the residential character of the surrounding area and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents and Owners, as may be determined in the sole discretion of the Board. The terms "business", "occupation", "profession" and "trade", as used in this Section 4.3 and in Section 4.4 hereof, shall be construed to have their ordinary, generally accepted meanings, and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (i) the activity is engaged in full or part-time; (ii) the activity is intended to or does generate a profit; or (iii) a license is required for the activity. Notwithstanding the above, the leasing of a Dwelling Unit shall not be considered a trade or business as defined herein. The restrictions contained in this Section 4.3 or in Section 4.4 hereof shall not apply to any activity conducted by Declarant with respect to its development, marketing, operation or sale of property within Robson Ranch Denton Resort Community, and Declarant shall have the right to maintain sales offices, administration offices, and sales and model complexes on property classified as for Single Family Residential Use, Residential Condominium Development Use or Cluster Residential Use.

4.3.2 Tenants. The entire Dwelling Unit and Lot may be leased to a Single Family tenant or lessee from time to time by the Owner, subject to the provisions of this Declaration, the Community Rules, and any applicable Architectural and Landscape Guidelines and Tract Declaration.

4.3.3 Minimum Home Size. All detached Single Family Dwelling Units in Robson Ranch Denton Resort Community shall have at least 1,000 square feet of living space, exclusive of carports and porches.

4.4 Covenants Applicable to Property Within a Residential Condominium Development Land Use Classification and a Cluster Residential Land Use Classification. The following Covenants shall apply only to Dwelling Units, and the Owners and Residents thereof, within a Residential Condominium Development Land Use Classification or a Cluster Residential Land Use Classification:

4.4.1 General. Property classified as Residential Condominium Development Use or as Cluster Residential Use under a Tract Declaration may be used only for the construction and occupancy of Single Family Dwelling Units, together with common facilities and other common areas, if any. In addition, a management office may be maintained on any such property for the purpose of leasing and managing Dwelling Units and related improvements on the property. All Lots within such a Land Use Classification shall be used, improved and devoted exclusively to residential uses and no occupation, business, profession, trade or other nonresidential use shall be conducted thereon, except that an Owner or Resident may conduct business activities on a Lot so long as (i) the existence or operation of the business activity is not apparent or detectable by sight, sound or smell from outside the Dwelling Unit; (ii) the business activity conforms to all applicable zoning requirements; (iii) the business activity does not involve door-to-door solicitations of other Owners and Residents; and (iv) the business activity is consistent with the residential character of the surrounding area and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents and Owners, as may be determined in the sole discretion of the Board. As provided in Section 4.3 hereof, the restrictions contained in this Section 4.4 shall not apply to any activity conducted by Declarant with respect to its development, marketing or sale of property within Robson Ranch Denton Resort Community.

4.4.2 Tenants. The entire Dwelling Unit may be leased to a Single Family tenant from time to time by the Owner, subject to the provisions of this Declaration, the Community Rules, and any applicable Architectural and Landscape Guidelines and Tract Declaration.

4.5 Timeshare Restrictions. Nothing contained in this Declaration shall limit Declarant from creating Timeshare interests in portions of the Community that are limited by Tract Declarations to such use or portions of the Community in which such use is permitted by applicable Tract Declaration. Except for such Timeshare interests as may be created expressly authorized by Declarant, no Timeshare shall be allowed within the Residential Areas of the Community.

4.6 Covenants Applicable to Golf Course Land Use Classification.

4.6.1 General. The Golf Course Land shall be designated as such in a Tract Declaration recorded by Declarant. No Association membership rights or responsibilities shall be attributed or charged to the Golf Course Land.

4.6.2 Use Restriction. The Golf Course Land shall be used solely as one or more golf courses, parks, recreation areas (including but not limited to driving ranges, pro shops, water storage, well-sites, recharge wells, drainage structure, automobile parking, and other recreational and associated maintenance facilities) or for open space or landscaping purposes. Notwithstanding the foregoing and subject to applicable zoning regulations, the owner of the Golf Course Land, without approval from the Board or other Owners, may amend the Tract Declaration or plat or plats covering the Golf Course Land to alter the use or boundaries of the Golf Course Land or any portion thereof, provided that (i) the remaining Golf Course Land remains available for golf course purposes (and is sufficient for those purposes); and (ii) the change does not materially diminish the playability of any golf course existing on the Golf Course Land at the time of the change. As long as Declarant has fee title to, or any beneficial or security interest in, any Robson Ranch Denton Resort Community property, any amendment to a Golf Course Tract Declaration or plat or plats affecting the Golf Course Land must be approved by Declarant.

4.6.3 Operation of Golf Course. To the extent reasonably possible, the manager of any golf course and other facilities located on Golf Course Land shall attempt to operate the golf course and other facilities in such a manner so as not to create an unreasonable nuisance for the Owners and Residents of Robson Ranch Denton Resort Community. Notwithstanding the foregoing, activities and uses permitted on the Golf Course Land shall include all activities normally associated with the operation and maintenance of a golf course and any and all other recreational activities and facilities permitted under subsection 4.6.2 hereof, approved by Declarant, or permitted by the applicable Tract Declaration including, but not limited to, the conduct of tournaments, races and other recreational events which may include spectators, television, radio and other media coverage, and various related activities. Notwithstanding other provisions of this Declaration or the Community Rules restricting parking, members of the public shall have the right to park their vehicles on roadways within Robson Ranch Denton Resort Community at reasonable times before, during and following golf tournaments and other permitted functions held on the Golf Course Land.

Subject to the terms of this Declaration and any Tract Declaration recorded against the Golf Course Land and any binding contractual (or similar) obligations, the Owner of the Golf Course Land shall have the right, in its sole discretion, to establish rules and regulations governing all aspects of the golf course including, but not limited to, price, hours of operation, tee-time procedures, annual golf fees, use, reciprocal agreements, commitments, subleasing, availability, staffing, quality, equipment and maintenance. The Owner of Golf Course Land shall also have the right, in its sole discretion and at any time, to make the Golf Course Land available to others or the general public to the extent availability exists after taking into account the needs of Owners and Residents of the Community or to restrict play to the Members of the Association. The Owner of the Golf Course Land, its guests, employees, invitees and clientele shall have, in perpetuity, a right of reasonable access through Robson Ranch Denton Resort Community and the facilities thereon, and reasonable parking privileges, for the purpose of operating and using the golf course, golf pro shop, golf cart storage areas and snack bar. Upon request by the Owner of the Golf Course Land (if the Association is not the Owner), the Association shall execute and notarize an instrument to

further evidence the rights and privileges provided for herein. Commencing one year after the Transition Date, the Owner of the Golf Course Land (if it is not the Association) shall, on an annual basis, reimburse the Association an amount not to exceed the actual cost directly attributable to the Association for the prior year of the Golf Course Owner's use and operation, if any, of the golf pro shop, golf cart storage areas and snack bar if they are located in a clubhouse conveyed to the Association or on any other property conveyed to the Association.

4.6.4 Golf Balls. Owners, Residents, guests and other persons owning, occupying or using any Lot, Dwelling Unit, Parcel or other area adjoining the Golf Course Land are deemed to have assumed the risks of personal injury and property damage resulting from golf balls hit onto any such Lot, Dwelling Unit, Parcel or other area by persons playing golf on the Golf Course Land. Neither Declarant, nor the Owner of the Golf Course Land (if other than Declarant), nor the Association, is responsible for installing screening devices or trees to limit or prevent errant golf balls from causing injury or damage.

4.6.5 The Issuance of An Annual Pass. The issuance of an annual pass to any Owner for any one year shall not guarantee that the Association will issue any annual pass in any future year. Further, the holder of any annual golf pass does not have an automatic right to expect to play every day for which the holder applies for a tee time. The number of tee times are limited by the amount of daylight on any given day, and the Association may not find it possible to grant tee times to all persons who apply for tee times on any given day.

4.7 Variances. Declarant or the Board may, at its option and in extenuating circumstances, grant variances from any or all of the restrictions set forth in Section 4 hereof or in any Tract Declaration if Declarant or the Board determines in its discretion (a) either (i) that a restriction would create an unreasonable hardship or burden on an Owner, or (ii) that a change of circumstances since recordation of this Declaration has rendered the restriction obsolete or otherwise inappropriate, and (b) that the activity permitted under the variance will not have any substantial adverse affect on the Owners and Residents of Robson Ranch Denton Resort Community and is consistent with the high quality of life intended for Residents of Robson Ranch Denton Resort Community. The request for a variance must be made in writing and must be accompanied by adequate supporting documentation.

4.8 Grazing Or Agricultural Operations. Declarant reserves the right to use the undeveloped portions of Robson Ranch Denton Resort Community, Annexable Property and perhaps other real property in the vicinity for grazing or agricultural purposes until they are developed for residential, commercial or other uses. Therefore, notwithstanding anything to the contrary contained in this Section 4 or elsewhere in this Declaration, none of the use restrictions or other provisions of this Declaration shall affect, interfere with or apply to any grazing or agricultural operations, or related operations, that are conducted within Robson Ranch Denton Resort Community with the consent of Declarant, unless Declarant specifies otherwise in writing.

5. ORGANIZATION OF ASSOCIATION

5.1 Formation of Association. The Association shall be a non-profit Texas corporation. Upon incorporation, the Association shall serve as the governing body for all the Members and for the future Members, and shall be charged with the duties and invested with the powers prescribed by law and set forth in the Articles, Bylaws and this Declaration. Neither the Articles nor Bylaws shall, for any reason, be amended or otherwise changed or interpreted so as to be inconsistent with this Declaration.

5.2 Board of Directors and Officers. The affairs of the Association shall be conducted by the Board and such officers as the Board may elect or appoint in accordance with the Articles and the Bylaws. The Board may also appoint various committees and appoint a manager or managing agent who shall be subject to the direction of the Board and be responsible for the day-to-day operation of the Association. The Board shall determine the compensation to be paid to the manager or managing agent and any employees of the Association. The Board's responsibilities shall be to carry out the objectives of the Association which include, but shall not be limited to, the following:

- (a) administering, including providing administrative support required for, the Architectural and Landscape Committee;
- (b) preparing and administering an operational budget that provides for the protection, administration and operation of the Common Areas, the improvements thereon and the property of the Association, for the performance of all of the Association's responsibilities hereunder and under the Articles and Bylaws, and for other uses permitted by Section 9 hereof;
- (c) establishing and administering a reserve fund to the extent that funds are available therefor;
- (d) scheduling and conducting the meetings of Members;
- (e) collecting and enforcing the Assessments and disbursing funds received for the benefit of the Association and its Members;
- (f) maintaining records and books in accordance with Generally Accepted Accounting Principles and performing other necessary accounting functions;
- (g) promulgating and enforcing the Community Rules;
- (h) maintaining the Common Areas; and
- (i) all other duties imposed upon the Board pursuant to this Declaration, the Bylaws, the Articles and the Community Rules.

Notwithstanding anything in this Declaration to the contrary, until the Transition Date, Declarant shall have the right to maintain absolute control over the Association including, but not limited to, the right and power to amend the Articles, appoint the officers and select the members of the Board. Initially, the Association shall have three (3) directors, all of whom shall be appointed by Declarant. Prior to the Transition Date, at such time as is deemed appropriate by Declarant in its sole discretion, the number of directors may be increased to five (5), three (3) of whom shall be appointed by Declarant and two (2) of whom to be elected by the Members of the Association other than Declarant. Declarant shall have the right to replace any director appointed by it for any reason whatsoever in its sole discretion. The two directors to be elected by the Members of the Association other than Declarant shall serve two-year terms and must be Members or spouses of Members of the Association. Any vacancies created in these two directorships shall be filled in accordance with the Articles and the Bylaws. The number of directors shall not exceed five. After the Transition Date, all members of the Board of Directors shall be elected by the Members, including Declarant with three votes for each Lot it then owns. Declarant voluntarily may (but shall not be required to) relinquish control of the Association and thereby require the Members to assume control of the Association at any time, and Declarant may permit any matter to be voted on by the Members without relinquishing control. All debts and obligations of the Association prior to the Transition Date shall continue to be the debts and obligations of the Association after the Transition Date, and Declarant shall have no responsibility or obligation to discharge those debts and obligations.

5.3 The Community Rules and Architectural and Landscape Guidelines. By a majority vote of the Board, the Association may, from time to time and subject to the provisions of this Declaration, adopt, amend and repeal rules and regulations to be known as the Community Rules. The Community Rules may restrict and govern the use of the Common Areas by any Member or Resident, by the family of any Member, or by any invitee, licensee or tenant of any Member; provided, however, that the Community Rules shall not discriminate among Members (other than Declarant) and shall not be inconsistent with this Declaration, the Articles or the Bylaws. In addition, from time to time and subject to the provisions of this Declaration, the Architectural and Landscape Committee shall have the right to adopt, amend and repeal Architectural and Landscape Guidelines for Residential Areas of the Community; provided, however, that such rules and guidelines shall be fair and reasonable, shall be consistent with the provisions of this Declaration, the Articles and Bylaws, and shall be subject to review and revision by the Board. The authority granted herein to develop rules and guidelines by the Board and Architectural and Landscape Committee, and the enforcement powers granted herein, are given for the purpose of ensuring that the Community is developed and used according to the general descriptions and intent as evidenced by the Robson Ranch Denton Resort Community Master Development Plan, as it from time to time may be amended, and this Declaration. The Board and Architectural and Landscape Committee are responsible specifically for the administration and enforcement of the provisions of this Declaration and the Articles, Bylaws, Community Rules, and Architectural and Landscape Guidelines. Upon adoption, the Community Rules and the Architectural and Landscape Guidelines shall have the same force and effect as if they were set forth in and were a part of this Declaration, except that in the event of any inconsistency between the rules and regulations adopted by the Board and the guidelines adopted by the Architectural and Landscape Committee, the rules and regulations adopted by the Board

shall control, and in the event of any inconsistency between the rules, regulations or guidelines and any of the provisions of this Declaration or of the Articles or Bylaws, the provisions of this Declaration, the Articles and the Bylaws shall govern and control.

5.4 Personal Liability. No Board member, committee member, officer or employee of the Association or Declarant shall be personally liable to any Member or to any other person or entity, including the Association, for any damage, loss or prejudice suffered or claimed on account of any act, omission or error **EVEN IF CAUSED BY THE NEGLIGENCE OF THE BOARD MEMBER, COMMITTEE MEMBER, OFFICER OR EMPLOYEE**; provided, however, the limitations set forth in this Section shall not apply to any person who has failed to act in good faith or has engaged in willful or intentional misconduct. The Association shall indemnify its committee members, directors and officers when acting in good faith on behalf of the Association to the fullest extent permitted by law; **SUCH INDEMNITY SHALL INCLUDE INDEMNIFICATION AGAINST CLAIMS, DAMAGES, LOSSES AND EXPENSES RESULTING FROM THE NEGLIGENCE OF THE BOARD MEMBER, COMMITTEE MEMBER, OFFICER OR EMPLOYEE.**

5.5 Ancillary Association. In the event an Ancillary Association is formed by Declarant (or with the written consent of Declarant) for a Parcel, subdivision, area or neighborhood in Robson Ranch Denton Resort Community, articles of incorporation, bylaws and any declaration of restrictions shall serve as the governing documents for an Ancillary Association. The governing documents for an Ancillary Association must specify that the Ancillary Association and the rights of its members are subject to the provisions of this Declaration and the Articles of the Association. The Board may delegate to an Ancillary Association the responsibility for billing and collecting for some or all of the Assessments.

5.6 Easements. In addition to the easements specifically granted or reserved herein, the Association is authorized and empowered to grant upon, across or under Association Land such permits, licenses, easements and rights-of-way for sewer lines, water lines, underground conduits, storm drains, television cable and other similar public or private purposes, security lines, roadways or other purposes as may be reasonably necessary and appropriate for the orderly maintenance and preservation of the health, safety, convenience and welfare of the Owners of real property within Robson Ranch Denton Resort Community, as determined by the Board.

5.7 Rights of Enforcement. The Association, acting through the Board, shall be and hereby is empowered to decide all questions regarding the enforcement of this Declaration within Residential Areas and to take any and all actions needed, in its sole and absolute judgment, to enforce this Declaration.

5.8 Contracts with Others for Performance of Association's Duties. Subject to the restrictions and limitations contained herein, the Association may enter into contracts and transactions with others, including Declarant and affiliated companies or persons, and no such contract or transaction shall be invalidated or in any way affected by the fact that one or more directors or officers of the Association or members of any committee of the Association are employed by or otherwise connected with Declarant or its affiliates, provided that the interest is

disclosed or known to the other directors acting upon the contract or transaction, and provided further that the transaction or contract is fair and reasonable. Any such director, officer or committee member may be counted in determining the existence of a quorum at any meeting of the Board or committee of which he is a member which shall authorize any contract or transaction described above or grant or deny any approval sought by Declarant, its affiliates or any competitor thereof and may vote at any such meeting to authorize any such contract, transaction or approval with like force and effect as if he were not so interested. In addition, from and after the date of this Declaration and until the date 35 years after the Transition Date, Declarant or its designee shall have the right, but not the obligation, to serve as the manager of the Association and to receive from the Association a management fee in the amount of 4% of the Association's total gross revenues from all sources, as reported in the Association's annual financial statements. The management fee shall be in addition to, and not in substitution for, reimbursement by the Association to Declarant or its designee for all direct expenses actually incurred in managing the Association and in addition to the costs and expenses of operating the Association and of paying the employees of the Association. The management fee shall not be payable if Declarant and its designee elect not to serve as manager of the Association.

Notwithstanding anything foregoing to the contrary and subject to the rights reserved to Declarant in this Declaration, the Association shall not engage, directly or indirectly, in any real estate sales or marketing activities or allow the use of any clubhouse or other Common Areas for such purposes by any licensed real estate brokerage company or other entity offering comparable services (other than the posting of such signs for the sale of individual Dwelling Units by Owners as may otherwise be permitted hereunder) without the prior written consent of Declarant, which may be withheld in Declarant's sole and absolute discretion.

6. MEMBERSHIP AND VOTING

6.1 Owners of Lots. Every Owner of a Lot, including Declarant, but not including any other Owner of a Lot that constitutes Exempt Property, shall be a Member of the Association. Each such Owner, including Declarant, shall have one Membership for each Lot owned by the Member. Each Membership shall be appurtenant to and may not be separated from ownership of the Lot to which the Membership is attributable. Except as otherwise provided in any Tract Declaration for a commercial or other Parcel, no Memberships shall be appurtenant to any Commercial Areas. There shall be only one Membership for each Lot, which shall be shared by any joint Owners of, or owners of undivided interests in, a Lot. Notwithstanding the foregoing provisions of this Section 6.1, in the event an Owner of two adjoining Lots, or an Owner of a Lot and a portion of an adjoining Lot, combines the areas owned by him for use as one residence, upon approval by Declarant or the Board, the combined Lots or the combined Lot and adjoining property, as the case may be, shall be assessed and treated as one Lot hereunder and shall be entitled to one Membership. Any Tract Declaration may limit or assign all or any of the voting rights otherwise applicable to portions of the Community covered by the Tract Declaration. Without limiting the preceding sentence, any Tract Declaration recorded by Declarant hereafter may assign voting rights to Declarant for such periods of time and on such terms as Declarant may elect, in its sole discretion.

6.2 Tenants. Tenants of Rental Apartments or other Dwelling Units shall not be Members of the Association. In the event Rental Apartments are converted to residential Condominiums, then there shall be one Membership in the Association for each residential Condominium Unit owned, commencing when the condominium declaration is recorded.

6.3 Declarant. Notwithstanding anything to the contrary herein, Declarant shall be a Member of the Association for so long as Declarant owns any Lot in Robson Ranch Denton Resort Community.

6.4 Voting. Subject to Declarant's right to control the Association until the Transition Date and to Declarant's right to three votes for each Membership held by Declarant from and after the Transition Date or such other date as Declarant ceases to control the Association, or in any votes permitted or required prior to the Transition Date, as provided in Section 6.8 hereof, each Membership entitles the Member to one vote in all elections for the Board of Directors and all other Association matters requiring a vote of the Members, subject to the authority of the Board to suspend the Member's voting rights for violations of this Declaration as provided herein. UNTIL THE TRANSITION DATE THE RIGHT OF THE MEMBERS TO VOTE IS LIMITED AS STATED IN SECTION 6.8 HEREOF.

6.5 Right to Vote. No change in the ownership of a Membership shall be effective for voting purposes unless and until the Board is given actual written notice of the change and is provided satisfactory proof thereof. The vote for each Membership must be cast as a unit. Fractional votes shall not be allowed. If a Membership is owned by more than one individual or entity and the Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to vote on the matter in question. If any Member casts a vote representing a certain Membership, it will thereafter be presumed conclusively that the Member was acting with the authority and consent of all other Owners of the same Membership unless objection thereto is made to the Board in writing at or prior to the time the vote is cast. In the event more than one vote is cast for a particular Membership, all such votes shall be deemed void. UNTIL THE TRANSITION DATE THE RIGHT OF THE MEMBERS TO VOTE IS LIMITED AS STATED IN SECTION 6.8 HEREOF.

6.6 Membership Rights. Each Member shall have the rights, duties and obligations set forth in this Declaration and such other rights, duties and obligations as are set forth in the Articles, Bylaws, Community Rules and Architectural and Landscape Guidelines.

6.7 Transfer of Membership. The rights and obligations of a Member in the Association shall not be assigned, transferred, pledged, designated, conveyed or alienated in any way except upon transfer of ownership of the Owner's Lot or Parcel and then only to the transferee of the Lot or Parcel. A transfer of ownership of a Lot or Parcel may be effected by deed, intestate succession, testamentary disposition, foreclosure of a deed of trust or mortgage of record or such other legal process as permitted by Texas law. Any attempt to make a prohibited transfer of a Membership shall be void. Any transfer of ownership of a Lot or Parcel shall automatically transfer any Membership appurtenant to the Lot or Parcel to the new Owner. Upon the transfer

of ownership of any Lot (excluding the initial sale by Declarant) the Board, in its discretion, may assess a reasonable transfer fee to cover administrative costs associated with the transfer of ownership.

6.8 Use of Membership; Designees. Subject to the Community Rules, all of the owners of a Membership may designate one or more members or non-members (a "Designee") to exercise all of the rights of the Membership under this Declaration except the Member's voting rights, but any such designation shall not relieve the Member of any liabilities or obligations as an Owner or with respect to the Membership. So long as any such designation is in effect, the Member shall be permitted to exercise only its voting rights and the Board may, among other things, in its discretion, set maximum or minimum periods for which such a designation may be in effect and limit the number of individuals who may be so designated by any Member at any one time. The Designee need not be a Resident and need not live in the Community unless the Board adopts rules requiring such residence.

6.9 DECLARANT'S CONTROL OF ASSOCIATION.

NOTWITHSTANDING ANYTHING IN THIS DECLARATION TO THE CONTRARY, UNTIL THE TRANSITION DATE, DECLARANT SHALL HAVE THE RIGHT AND POWER TO MAINTAIN ABSOLUTE CONTROL OVER THE ASSOCIATION INCLUDING, BUT NOT LIMITED TO, THE RIGHT AND POWER TO AMEND THE ARTICLES (THROUGH CONTROL OF THE BOARD), APPOINT THE OFFICERS, SELECT THE MEMBERS OF THE BOARD AND APPOINT THE MEMBERS OF THE ARCHITECTURAL AND LANDSCAPE COMMITTEE AND OTHER COMMITTEES OF THE ASSOCIATION. AFTER THE TRANSITION DATE, THE ELECTION OF THE BOARD OF DIRECTORS SHALL BE IN ACCORDANCE WITH THE ARTICLES AND THE BYLAWS. EXCEPT AS EXPRESSLY PROVIDED OTHERWISE IN THIS DECLARATION, NO MEMBERS OTHER THAN DECLARANT SHALL HAVE ANY VOTING RIGHTS UNTIL THE TRANSITION DATE. DECLARANT VOLUNTARILY MAY (BUT SHALL NOT BE REQUIRED TO) RELINQUISH CONTROL OF THE ASSOCIATION AND THEREBY REQUIRE THE MEMBERS TO ASSUME CONTROL OF THE ASSOCIATION AT ANY TIME OR MAY PERMIT THE MEMBERS TO ELECT ONE OR MORE OF THE DIRECTORS PRIOR TO THE TRANSITION DATE. ALL DEBTS AND OBLIGATIONS OF THE ASSOCIATION PRIOR TO THE TRANSITION DATE SHALL CONTINUE TO BE THE DEBTS AND OBLIGATIONS OF THE ASSOCIATION AFTER THE TRANSITION DATE, AND DECLARANT SHALL HAVE NO RESPONSIBILITY OR OBLIGATION TO DISCHARGE THOSE DEBTS AND OBLIGATIONS. FROM AND AFTER THE TRANSITION DATE, THE DATE DECLARANT RELINQUISHES TO THE MEMBERS CONTROL OF THE ASSOCIATION OR THE DATE DECLARANT OTHERWISE CEASES TO CONTROL THE ASSOCIATION, WHICHEVER FIRST OCCURS, AND IN ANY VOTE PERMITTED OR REQUIRED PRIOR TO THE TRANSITION DATE, DECLARANT SHALL HAVE THREE VOTES FOR EACH MEMBERSHIP HELD BY DECLARANT. FROM AND AFTER THE DATE OF THIS DECLARATION AND UNTIL THE DATE 35 YEARS AFTER THE TRANSITION DATE, DECLARANT OR ITS DESIGNEE SHALL HAVE THE RIGHT TO SERVE AS MANAGER OF THE ASSOCIATION AND TO RECEIVE FROM THE

ASSOCIATION A MANAGEMENT FEE OF 4% OF THE TOTAL GROSS REVENUES OF THE ASSOCIATION FROM ALL SOURCES AS REPORTED IN THE ASSOCIATION'S ANNUAL FINANCIAL STATEMENTS.

7. COVENANT FOR ASSESSMENT AND CREATION OF LIEN

7.1 Creation of Lien and Personal Obligations for Assessments and Maintenance Charges. Each Owner of a Lot, by acceptance of a deed or execution of a purchase contract therefor (whether or not it shall be so expressed in the deed or purchase contract) or by otherwise acquiring any interest in a Lot, is deemed to covenant and agree to accept and be subject to mandatory Membership in the Association and to pay to the Association the following: (1) Annual Assessments, (2) Special Assessments, (3) Maintenance Charges, (4) Special Use Fees incurred by the Owner or Resident occupying the Owner's Lot or any portion thereof, and (5) the Amenities Fee. The Annual Assessments, Special Assessments, Maintenance Charges, Special Use Fees, Amenities Fee and other fees, fines and charges that are the obligation of an Owner hereunder, together with interest, costs, collection agency fees, and reasonable attorneys' fees of the Association incurred in connection with the enforcement and collection thereof or in otherwise enforcing this Declaration, shall be a charge and continuing lien (the "Assessment Lien") upon the Lot against which the Annual or Special Assessment, Maintenance Charge, Amenities Fee or other charge is made and against the Lot of an Owner liable for a Special Use Fee or other charge and, in addition, shall be the personal obligation of the Owner of the Lot at the time the obligation becomes due and payable. The personal obligation for delinquent Assessments and other charges shall not pass to the successors in title of the Owner unless expressly assumed by the successor, but the Lot shall remain subject to the lien of delinquent Assessments except as provided in Section 8.3 hereof. No Owner may waive or otherwise exempt himself from liability for the Assessments provided for herein by nonuse of Common Areas, abandonment of the Owner's Lot, as a result of Assessments for any period exceeding common expenses, or otherwise. The obligation to pay Assessments is a separate and independent covenant on the part of each Owner. No diminution, abatement or set-off shall be allowed by reason of any action or failure to act of the Board, the Association or Declarant. The Assessment Lien shall be coupled with a power of sale in favor of the Association entitling the Association to exercise the right of nonjudicial foreclosure sale and other rights and remedies afforded under Chapter 51 of the Texas Property Code. By acceptance of a deed to a Lot, the Owner of the Lot shall be deemed to acknowledge that title is accepted subject to the Assessment Lien, which shall constitute an express contractual lien and shall be superior to any defense of homestead or other exemption, the Assessment Lien having been created prior to the creation or attachment of any homestead right with respect to any Lot.

7.2 Annual Assessments. In order to provide for the uses and purposes specified in Section 9 hereof, including the establishment of replacement and maintenance reserves in the Board's discretion, in each year, commencing with the first Assessment Period, the Board shall prepare and adopt a budget and shall assess against each Lot (except any Exempt Property) an Annual Assessment. Subject to the provisions of Section 7.4 hereof, the amount of the Annual Assessment shall be in the sole discretion of the Board but shall be determined with the objective

of fulfilling the Association's obligations under this Declaration and providing for the uses and purposes specified in Section 9 hereof. Nothing within this Section, or elsewhere in this Declaration, shall be construed as placing a requirement upon Declarant or the Board to set up a reserve fund at any time. Further, no such reserve fund will be begun, or contributed to, during any year in which Declarant makes a contribution to Robson Ranch Denton Resort Community Association in order to subsidize any deficit which the Association may have in that year.

7.3 Non-Uniform Rate of Annual Assessment. The obligation to pay Assessments shall begin on the date a Lot is purchased from Declarant, as evidenced by the recording of the deed or other conveyance instrument for the Lot, whether or not the Owner actually resides in Robson Ranch Denton Resort Community. For purposes of this Declaration, Lots owned or sold by the trustee of a trust of which Declarant is the beneficiary shall be deemed to be owned or sold, as the case may be, by Declarant. The amount of any Annual or Special Assessment against each Lot or Dwelling Unit shall be fixed at a uniform rate per Membership, with the following exceptions:

7.3.1 The Annual Assessments are based on one or two Residents per homesite. If additional persons reside in a Dwelling Unit, the Association shall have the right to limit the number of individuals per Dwelling Unit who have the right to use the Association's recreational facilities. In addition, the Assessment for each additional person over two Residents per homesite who is permitted to use the recreational facilities shall be 50% of the Annual Assessment attributable to a Membership, unless any such additional person is physically unable to use the recreational facilities, as determined by the Board in its sole discretion, regardless of whether or not more than two Residents of the Dwelling Unit actually use the recreational facilities. This Assessment for additional residents shall not count towards the Maximum Annual Assessment described in Section 7.4 hereof. The Board, in its sole discretion, shall decide when an additional person is "residing" in a Dwelling Unit. If only one person resides in a Dwelling Unit or only one person is physically able to use the recreational facilities, that Lot or Dwelling Unit shall not be permitted a discount of any kind from the Assessments attributable to that Membership.

7.3.2 If deemed necessary or appropriate by the Board, Assessments (whether Annual or Special) shall be assessed unevenly against the Lots, and specific Lots or Members, groups of Lots or Members, or residential neighborhoods who receive or have available services or benefits that are not available to all Lots or Members, as determined by the Board. Any such specially benefited Lots or Members may be assessed and required to pay higher Assessments than the base Annual or Special Assessments for which the other Members are responsible. Examples include, without limitation, areas with additional security services, swimming pools, recreational areas or tennis courts that are limited to use by certain Members. The Board shall be fair and reasonable in establishing any such unequal Assessments. The additional Annual Assessments, to the extent they exceed the amount of the base Annual Assessments for which all Members are responsible, shall not count towards the Maximum Annual Assessments described in Section 7.4 hereof.

7.4 Maximum Annual Assessment. Except as provided in Section 7.3 hereof, the base Annual Assessment to be established by the Board may not exceed a certain amount, hereinafter referred to as the "Maximum Annual Assessment". Until December 31, 2001, the Maximum Annual Assessment for each Membership shall be \$1,300.00. The Maximum Annual Assessment for each Membership shall increase by 10% per year, compounded annually on December 31 of each year commencing on December 31, 2001 (i.e. each year, the Maximum Annual Assessment will be 10% higher than the Maximum Annual Assessment for the previous year). However, the Board has no obligation to increase the Annual Assessment each year to the Maximum Annual Assessment. Notwithstanding the foregoing limitation, the Maximum Annual Assessment may be increased by a vote of 2/3 of the votes entitled to be cast by Members who are voting in person or by proxy at a meeting duly called for such purpose, or, in the Board's discretion and without a vote of the Members, as required by increased utility, fuel and water costs charged to the Association and costs to the Association of complying with governmental statutes, rules and regulations, including but not limited to those relating to environmental matters.

7.5 Special Assessments for Capital Improvements and Extraordinary Expenses. In addition to the Annual Assessments authorized above, the Board may levy Special Assessments for the purpose of defraying in whole or in part the cost of any construction, reconstruction, repair, operating expenses, or replacements of capital improvements upon the Association Land or Common Areas, including fixtures and personal property related thereto, and for the purpose of defraying other extraordinary expenses. The Board may levy the Special Assessments uniformly to all Members, or to certain Members who receive or have available services or benefits not available to all of the Members, or otherwise as provided in Section 7.3 hereof. The provisions of this Section are not intended to preclude or limit the assessment, collection or use of Annual Assessments or the purposes for which Special Assessments may be made. The amount of any Special Assessments shall not apply towards the Maximum Annual Assessment. Notwithstanding the foregoing, a proposed Special Assessment in excess of \$500 per Lot per calendar year will not become effective if it is disapproved, within 30 days after it is announced by the Board, by 2/3 of those votes eligible to be cast in person or by proxy at an annual meeting of the Members of Association or at a special meeting called for that purpose after proper notice to the Members. The Association shall not have any obligation to call a special meeting for that purpose unless required pursuant to the Bylaws of the Association.

7.6 Amenities Fee.

7.6.1 Each Owner (other than Declarant) who acquires a Lot shall pay the Association (in addition to any Annual or Special Assessments or other charges provided for herein) a fee of \$25 per Lot per month (the "Amenities Fee") which will be used by the Association to defray the Association's obligations to Declarant under Section 9.1.2 hereof. The Amenities Fee for each such Lot shall commence on the first full month following the Lot's initial conveyance to a retail buyer (but not prior to January 1, 2002) and shall be payable on the first day of each month thereafter so long as the Association's payment obligations under Section 9.1.2 hereof continue.

7.6.2 The Amenities Fee for each Lot shall be adjusted upward as of January 1 of each year (the "Adjustment Dates"), commencing January 1, 2003, as follows:

(a) Declarant shall ascertain the Consumer Price Index for All Urban Consumers -- U.S. Cities Average -- All Items (the "CPI") published by the United States Department of Labor, Bureau of Labor Statistics (1982-1984 = 100) for October, 2001 (the "Base Index") and for October of the year immediately prior to the adjustment (the "Comparison Index").

(b) The Amenities Fee commencing as of such Adjustment Date shall be equal to the original Amenities Fee as set forth in subsection 7.6.1 above times a fraction, the numerator of which is the Comparison Index and the denominator of which is the Base Index, illustrated in the following formula:

$$\text{Adjusted Amenities Fee} = \frac{\text{Comparison Index}}{\text{Base Index}} \times \text{Original Amenities Fee}$$

(c) Notwithstanding the foregoing, in no event shall the Amenities Fee be decreased on any Adjustment Date. If at any time the CPI is no longer published or its manner of calculation is materially changed, Declarant may substitute such substitute index, reconciled to October, 2001, as reasonably reflects changes in the purchasing power of the dollar.

7.7 Notice and Quorum for Any Action Authorized Under Section 7.4. Written notice of any meeting called for the purpose of a vote of the Members to increase the Maximum Annual Assessments pursuant to the last sentence of Section 7.4 hereof shall be sent to all Members no less than 10 days nor more than 60 days in advance of the meeting. At any such meeting, the presence of Members, in person or by proxy, entitled to cast more than 20% of all the votes (exclusive of suspended voting rights) shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement any time thereafter, except that the requirement for a quorum shall be reduced from 20% of all of the votes to 10% of all of the votes (exclusive of suspended voting rights).

7.8 Establishment of Assessment Period. The period for which the Annual Assessment is to be levied (the "Assessment Period") shall be the calendar year, except that the first Assessment Period shall commence (a) upon the recording of the first Tract Declaration covering Lots, or (b) upon such later date as the Board shall determine, and shall terminate on December 31 of such year. The Board in its sole discretion from time to time may change the Assessment Period by Board resolution specifying the new Assessment Period.

7.9 Billing and Collection Procedures. The Board shall have the right to adopt procedures for the purpose of making, billing and collecting the Assessments, and other fees and charges provided for herein, so long as any such procedures are not inconsistent with the provisions hereof. Annual Assessments may be collected on a monthly, quarterly, annual or other

basis as determined by the Board. Special Assessments may be collected as specified by the Board. Amenities Fees shall be paid monthly, unless the Board establishes another payment schedule by notice to Members. The failure of the Association to send a bill to a Member shall not relieve the Member of liability for any Assessment or charge under this Declaration, but the Assessment lien shall not be foreclosed or otherwise enforced until the Member has been given not less than 20 days written notice prior to commencement of an action for the foreclosure or enforcement, at the address of the Member on the records of the Association, clearly stating that the Assessment or any installment thereof is or will be due and the amount owing. Such a notice may be given at any time prior to or after the delinquency of any payment. Each Member shall be obligated to inform the Association in writing of any change of address. If appropriate settlements between a buyer and seller are not maintained by the title or escrow company, the Association shall be under no duty to refund any payments received by it even though ownership of a Lot or Parcel (and any appurtenant Membership) changes during an Assessment Period. Successor Members shall be given credit for prepayments, on a prorated basis, made by prior Members. Annual Assessments against any new Member shall be prorated to the date the Membership is acquired and the new Member shall not be liable for any previously levied Special Assessment unless the Special Assessment is levied over a period of time, in which case the amount shall be prorated to the date on which the new Membership is acquired. Nothing contained in the preceding sentence shall affect or impair the Association's lien on any Lot, including any Lot acquired by a new Member, for past due Assessments relating to the Lot.

7.10 Collection Costs and Interest on Delinquent Assessments. Any Assessment or installment thereof not paid when due shall be deemed delinquent subject to any provisions of law applicable to such delinquencies. Delinquent amounts shall bear interest from the delinquency date until paid at the rate of 18% per annum, and the Member whose payment is delinquent shall also be liable for all costs, including reasonable attorneys' fees, which may be incurred by the Association in collecting the delinquent amount and related charges. In addition, subject to any limitations imposed by applicable law, the Association may charge a late fee of 25% for any payment not made when due. Subject to any limitations imposed by applicable law, any such late fee shall also bear interest at the rate specified above from the date the Assessment or installment thereof becomes delinquent until the Assessment or installment, late charge and interest are paid in full. In no event, however, shall any person be obligated to pay the Association, and the Association shall not be entitled to charge or collect, any amount which constitutes "interest" under applicable law that exceeds the maximum rate of interest permitted to be charged under applicable law. Any such excess interest collected by the Association shall be refunded promptly to the payor. The Board may post a list of all members whose Assessments (whether Annual or Special Assessments or otherwise) are past due on a clubhouse bulletin board (or on any other similarly prominent location). The Board may also record a Notice of Delinquent Assessment against any Lot with a delinquent Assessment and may establish a fixed fee to compensate the Association for the Association's expenses in recording the notice, processing the delinquency, and recording a notice of payment. Any such fee shall be treated as a collection cost secured by the Assessment Lien. The Association shall not be obligated to release any notice recorded pursuant to this section until all delinquent Assessments, interest and collection costs have been paid in full, whether or not all of the amounts are set forth in the Notice of Delinquency.

7.11 Evidence of Payment of Assessments. Within a reasonable period following receipt of a written request, the Association shall issue to the requesting party a written certificate stating either (a) that all Annual and Special Assessments, Special Use Fees, Maintenance Charges and Amenities Fees (including interest, costs and attorneys' fees, if any, as provided in Section 7.10 hereof) have been paid with respect to any specified Lot as of the date of the certificate, or (b) the amounts due and payable as of the certificate date. The Association may make a reasonable charge for the issuance of any such certificate, payable at the time the certificate is requested. Such a certificate shall be conclusive and binding on the Association with respect to any matter stated in it for the benefit of a bona fide purchaser, or lender, to whom the certificate is issued.

7.12 Property Exempted from the Annual and Special Assessments. Exempt Property, including property that is Exempt Property pursuant to Section 1.28((f)) hereof, because it is owned by Declarant or its affiliates shall be exempt from Annual and Special Assessments and other charges levied by the Association pursuant to this Declaration. However, in the event any change in ownership or use of Exempt Property results in all or any part thereof becoming Assessable Property in any year, the formerly Exempt Property shall become subject to Annual, Special and other Assessments and the Assessment Lien upon the change of ownership or use. The Owner of Exempt Property (with the exception of Declarant with respect to ownership of its Lots) shall not be entitled to any Memberships for the Owner's Exempt Property. The exemptions provided for herein may be modified or limited in any Tract Declaration by Declarant for portions of the Community subject to the Tract Declaration.

7.13 No Parcel Assessments. Except as otherwise provided in any applicable Tract Declaration, Parcels shall not be subject to any Assessments levied by the Association, and no Memberships shall be attributable to Parcels.

8. ENFORCEMENT OF ASSESSMENTS AND ASSESSMENT LIEN

8.1 Association as Enforcing Body. As provided in Section 12.2 hereof, the Association, the Architectural and Landscape Committee, the Members and the other Owners shall have the right to enforce the provisions of this Declaration.

8.2 Association's Remedies to Enforce Payment. If any Member fails to pay the Annual or Special Assessments, Special Use Fees, Maintenance Charges, or Amenities Fees, or other charges payable hereunder, when due, the Association may enforce the payment thereof by taking either or both of the following actions, concurrently or separately (and by exercising either of the remedies hereinafter set forth, the Association does not prejudice or waive its rights to exercise the other remedy) and/or by exercising any other remedies available at law or in equity:

- (a) Bring an action at law to recover judgment against the Member personally obligated to pay the Annual or Special Assessments, Special Use Fees, Maintenance Charges, Amenities Fees, or other sums;

- (b) Foreclose the Assessment Lien against the Lot or Dwelling Unit, either through a nonjudicial foreclosure sale conducted under the Texas Property Code or through a judicial proceeding, in accordance with the then-prevailing Texas law relating to the foreclosure of realty mortgages (including any right to recover a deficiency). The Association may bid on the foreclosed property at any such foreclosure sale.

Notwithstanding the subordination of an Assessment Lien as described in Section 8.3 hereof, the delinquent Member shall remain personally liable for the Assessments and related costs after his Membership is terminated by foreclosure or deed in lieu of foreclosure or otherwise. Nothing contained in this Section limits any other rights or remedies available to the Association for a Member's failure to timely pay its Assessments or perform its obligations hereunder, such as without limitation the right to suspend the Member's right to use Association facilities pursuant to Section 3.1 above.

8.3 Subordination of Assessment Lien. The Assessment Lien provided for herein shall be subordinate to any first mortgage lien held by, or first deed of trust of which the beneficiary is, a lender who has loaned funds with the Lot as security, or the lender's successors and assigns, and shall also be subject and subordinate to liens for taxes and other public charges which by applicable law are expressly made superior. Except as above provided, the Assessment Lien shall be superior to any and all charges, liens or encumbrances which hereafter in any manner may arise or be imposed upon each Lot. Notwithstanding the foregoing, sale or transfer of any Lot, whether by foreclosure of a first lien mortgage or otherwise, shall not affect the Assessment Lien; provided, however, that if the sale or transfer is pursuant to foreclosure of a mortgage or a deed of trust to which the Assessment Lien is subordinate, or pursuant to any sale or proceeding in lieu thereof, the purchaser at the mortgage foreclosure or deed of trust sale, or any grantee taking by deed in lieu of foreclosure, shall take the Lot free of the Assessment Lien for all charges that have accrued up to the date of issuance of a sheriff's or trustee's deed or deed in lieu of foreclosure; provided, however, that such a purchaser or grantee shall take title subject to all Assessments, Special Use Fees, Maintenance Charges, Amenities Fees, and other amounts payable hereunder, and the Assessment Lien therefor, first accruing subsequent to the date on which title is acquired by the purchaser or grantee.

9. USE OF FUNDS; BORROWING POWER

9.1 Purposes for Which Association's Funds May Be Used. The Association shall apply all funds and property collected and received by it (including the Annual and Special Assessments, fees, loan proceeds, surplus funds and all funds and property received by it from any other source) for the common good and benefit of Robson Ranch Denton Resort Community, and the Members and Residents, by devoting the funds and property, among other things, to the acquisition, construction, alteration, maintenance, provision and operation, by any manner or method whatsoever, of all land, properties, improvements, facilities, services, projects, programs, studies and systems, within or without Robson Ranch Denton Resort Community,

which in the Board's determination may be necessary, desirable or beneficial to the general common interests of Robson Ranch Denton Resort Community, the Members and the Residents.

9.1.1 General Purposes. The following are some, but not all, of the areas in which the Association may seek to aid, promote and provide for the common benefit: social interaction among Members and Residents, maintenance of landscaping on Common Areas and public rights-of-way, maintenance of trails, private roadways, washes and drainage areas within and adjoining Robson Ranch Denton Resort Community, recreation, short-term and long-term leases of real and personal property, payments of assessments to community facilities districts and improvement districts, liability insurance, communications, ownership and operation of recreational and other facilities, vehicle storage areas, transportation, health, utilities, public services, patrol and security services, payments to Security Companies pursuant to Section 15.5 below and indemnification of officers and directors of the Association. Subject to this Declaration and the Articles and Bylaws, the Association may expend its funds in any manner permitted under the laws of the State of Texas.

9.1.2 Amenities Funding.

(a) In addition to any other sums authorized by Section 9.1.1 hereof, the Association shall pay Declarant a monthly Amenities Fee in consideration of any golf course and related amenities constructed and/or transferred by Declarant to the Association or held by Declarant or a trustee of a trust established by Declarant for eventual transfer to the Association. The Amenities Fee shall commence on January 1, 2002. The Amenities Fee shall consist of \$25 per month for each Lot sold to a retail buyer after the date this Declaration is recorded, subject to increase based on increases in the CPI as set forth below. For each such Lot, the Association shall pay the Amenities Fee for the Lot each month from the month following the date of initial sale of the Lot (but not prior to January 1, 2002) and continuing (as to each such Lot) for a period of 40 years. The Association's obligations to Declarant under this Section shall not be dependent upon the payment by Owners of all Amenities Fees required by Section 7 hereof.

(b) The Amenities Fee for each Lot shall be adjusted upward as of January 1 of each year (the "Adjustment Dates"), commencing January 1, 2003, as follows:

(1) Declarant shall ascertain the Consumer Price Index for All Urban Consumers -- U.S. Cities Average -- All Items (the "CPI") published by the United States Department of Labor, Bureau of Labor Statistics (1982-1984 = 100) for October, 2001 (the "Base Index") and for October of the year immediately prior to the adjustment (the "Comparison Index").

(2) The Amenities Fee commencing as of such Adjustment Date shall be equal to the original Amenities Fee as set forth in subparagraph (a) above times a fraction, the numerator of which is the Comparison Index and the denominator of which is the Base Index, illustrated in the following formula:

$$\text{Adjusted Amenities Fee} = \frac{\text{Comparison Index}}{\text{Base Index}} \times \text{Original Amenities Fee}$$

(c) Notwithstanding the foregoing, in no event shall the Amenities Fee be decreased on any Adjustment Date. If at any time the CPI is no longer published or its manner of calculation is materially changed, Declarant may substitute such substitute index, reconciled to October, 2001, as reasonably reflects changes in the purchasing power of the dollar.

9.2 Borrowing Power. The Association may borrow money in such amounts, at such rates, upon such terms and security, and for such periods of time as is necessary or appropriate in the discretion of the Board.

9.3 Association's Rights in Spending Funds From Year to Year. The Association shall not be obligated to spend in any year all the sums received by it in that year (whether by way of Annual or Special Assessments, fees or otherwise), and may carry forward as surplus any balances remaining. The Association shall not be obligated to reduce the amount of an Annual Assessment in any succeeding year if a surplus exists from a prior year and the Association may carry forward from year to year any such surplus as the Board, in its discretion, may determine to be desirable for the greater financial security of the Association and the accomplishment of its purposes.

9.4 Eminent Domain. The term "Taking" as used in this Section shall mean condemnation by eminent domain or sale under threat of condemnation. In the event of a threatened Taking of all or any portion of the Association Land, the Members hereby appoint the Board, and such persons as the Board may delegate, to represent all of the Members in connection with the taking. The Board shall act in its sole discretion with respect to any awards made or to be made in connection with the Taking and shall be entitled to make a voluntary sale to the condemnor in lieu of engaging in condemnation action. Any awards received on account of the Taking shall be paid to the Association. In the event of a total or partial Taking, the Board may retain any award in the general funds of the Association to be used to accomplish the purposes of the Association.

9.5 Insurance.

9.5.1 Authority to Purchase. The Association shall maintain insurance against liability incurred as a result of death or injury to persons or damage to property on the Common Areas or upon the other areas maintained by the Association, in a total amount of not less than \$1,000,000. If reasonably available, the Association shall obtain officers and directors liability insurance in an amount deemed prudent by the Board. In addition the Association may carry any other insurance coverage which the Board, in its sole discretion, deems necessary or desirable. The deductible shall be paid by the party who would be liable for the loss or repair in the absence of insurance.

9.5.2 Individual Responsibility. It shall be the responsibility of each Owner and Resident or other person to provide insurance on his own land, Dwelling Unit, personal property, and other insurable interests within Robson Ranch Denton Resort Community including, but not limited to, additions and improvements to the land and/or Dwelling Unit, furnishings and personal property therein, and personal liability, to the extent not covered by the Association's insurance. The Association shall provide such information about the insurance carried by the Association as any such person may reasonable request in order to allow the person to determine his personal insurance requirements. No person shall maintain any insurance which would limit or reduce in any manner the insurance proceeds payable to the Association under the Association's casualty insurance in the event of damage to the improvements or fixtures on the Common Areas. Neither the Association nor any Board member nor the Declarant shall be liable to any person (including, but not limited to, any mortgagee) if any risks or hazards are not covered by the insurance obtained by the Association or if the amount of insurance is not adequate.

9.5.3 Insurance Claims. The Association is hereby irrevocably appointed and authorized by the Members to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims, and to do all other acts reasonably necessary to accomplish any of the foregoing. The Board has full and complete power to act for the Association in this regard and may, in its discretion, appoint an authorized representative or committee, to enter into an insurance trust agreement wherein the trustee shall have authority to negotiate losses under any policy purchased by the Association. All proceeds from insurance acquired by the Association shall be payable to the Association. Any proceeds resulting from damage to the Common Areas shall be used to repair the damage. Any excess proceeds shall be retained by the Association to accomplish the purposes of the Association.

10. MAINTENANCE

10.1 Common Areas and Public Rights-of-Way

10.1.1 Areas of Association Responsibility. The Association, or its duly delegated representative, shall maintain and otherwise manage all Common Areas and improvements thereon. However, the Association shall not be responsible for providing or maintaining the landscaping or structures on any Common Areas that are part of any Lot or Parcel. The Association shall maintain any landscaping and other improvements not located on Lots or Parcels and Dwelling Units that are within the boundaries of Robson Ranch Denton Resort Community and are identified on a recorded instrument as Common Areas intended for the general benefit of the Members and Residents of Robson Ranch Denton Resort Community, except the Association shall not be required to maintain (but may elect to maintain) areas that (i) an improvement district or other governmental entity is obligated to maintain, (ii) an Ancillary Association is obligated under a Tract Declaration to maintain, or (iii) are to be maintained by the Owners of a Lot, Dwelling Unit or Parcel pursuant to Section 4.2.4 hereof. Specific areas to be maintained by the Association may be identified on recorded subdivision plats or Tract Declarations executed or approved by Declarant, and/or in deeds from Declarant to the

Association or to a transferee of a Lot, but the failure to identify such areas shall not affect the Association's rights or responsibilities with respect to Common Areas or the Association's rights with respect to other areas intended for the general benefit of Robson Ranch Denton Resort Community. Notwithstanding anything to the contrary herein, Declarant or the Board shall have discretion to enter into an agreement with any governmental entity with jurisdiction to permit the Association to upgrade and/or maintain landscaping on property owned by the governmental entity, held on behalf of the governmental entity, or intended to be dedicated to the governmental entity, whether or not the landscaping is within Robson Ranch Denton Resort Community, if Declarant or the Board determines that such an agreement benefits the Association, its Members or the development of Robson Ranch Denton Resort Community.

10.1.2 Standards of Care. The Board shall use a reasonable standard of care in providing for the repair, operation, management and maintenance of the Common Areas and other properties maintained by the Association, but the Board shall be the sole judge as to the appropriate maintenance of all such areas. The Common Areas shall be used at the risk of the user, and Declarant and the Association shall not be liable to any person for any claim, damage or injury occurring thereon or related to the use thereof.

10.1.3 Delegation of Responsibilities. In the event any subdivision plat, Tract Declaration, deed restriction or this Declaration permits the Board to determine whether or not Owners of certain Lots or Dwelling Units or Members will be responsible for maintenance of certain Common Areas or public right-of-way areas or operation of certain services, the Board shall have the sole discretion to determine whether or not it would be in the best interest of the Members and Residents of Robson Ranch Denton Resort Community for the Association or for an individual Member or an Ancillary Association to be responsible for the maintenance, considering cost, uniformity of appearance, location and other factors deemed relevant by the Board. The Board may cause the Association to contract with others for the performance of the maintenance and other obligations of the Association under this Section 10 and, in order to promote uniformity and harmony of appearance, the Board may also cause the Association to contract to provide maintenance services to Members and Owners of Lots and Dwelling Units in exchange for the payments of such fees as the Association and the Member or Owner may agree upon or as may be established by the Board.

10.2 Assessment of Certain Maintenance Costs. In the event that the need for maintenance or repair of Common Areas, structures and other property maintained by the Association is caused by the willful or negligent act of any Member, or that Member's family, guests or tenants, the cost of the maintenance or repair shall be added to and become part of the Assessment against the Member and the Member's Lot or Dwelling Unit and shall be secured by the Assessment Lien. Any charges or fees to be paid by the Member pursuant to Section 10.1.3 hereof, in connection with a contract entered into by the Association with a Member for the performance of a Member's maintenance responsibilities shall also become a part of the Assessment and shall be secured by the Assessment Lien. Any such charge-back shall not count towards the Maximum Annual Assessment.

10.3 Improper Maintenance and Use of Lots. If any portion of any Lot is maintained or used so as to present a nuisance, or to substantially detract from the appearance or quality of the surrounding Lots and/or other areas of Robson Ranch Denton Resort Community that are substantially affected thereby or related thereto, or any portion of a Lot is being used in a manner that violates this Declaration or any applicable Tract Declaration, or a Member is failing to perform any of the Member's obligations under this Declaration, any Tract Declaration, the Community Rules or the Architectural and Landscape Guidelines, the Board may by resolution make a finding to that effect, specifying the particular condition or conditions that exist. In that event, the Board shall give notice to the offending Member that, unless corrective action is taken within 14 days, the Board may cause corrective action to be taken at the Member's cost. If the requisite corrective action has not been taken at the expiration of the 14-day period of time, the Board shall be authorized and empowered to cause the action to be taken and the cost thereof shall be added to and become a part of the Assessment against the offending Member and the Member's Lot, secured by the Assessment Lien.

10.4 Easement for Maintenance Responsibilities. The Association shall have an easement upon, across, over and under the Lots and all other areas (except Commercial Areas) in Robson Ranch Denton Resort Community for the purpose of, and to the extent reasonably required for, repairing, maintaining and replacing the Common Areas, Common Area improvements, and other areas maintained by the Association and for the purpose of performing all of the Association's other rights, duties and obligations hereunder.

10.5 Maintenance of Vacant Lots. To keep vacant Lots that are owned by Members other than Declarant neat, clean and tidy from weeds, trash and other undesirable elements so as to maintain the aesthetic quality of Robson Ranch Denton Resort Community, the Board may, in its sole discretion, assume the responsibility of the upkeep of the vacant Lots. In either case, the Board shall charge the Owners of the Lots being maintained by the Association a fee (the "Lot Maintenance Fee"). The Lot Maintenance Fee shall be fair and reasonable, shall not count towards the Maximum Annual Assessment, and shall be secured by the Assessment Lien.

10.6 Commercial Area Maintenance. Nothing contained in this Declaration shall obligate the Association to keep up or maintain, or grant the Association enforcement rights for the upkeep and maintenance of, Commercial Areas. Except as otherwise provided in applicable Tract Declarations, the maintenance of Commercial Areas shall be the responsibility of the respective Owners of the Commercial Areas.

11. ARCHITECTURAL AND LANDSCAPE COMMITTEE

11.1 Appointment. The Board shall, at a time deemed appropriate by the Board, appoint an Architectural and Landscape Committee (the "Committee"), which shall be composed of such persons as are selected by the Board from time to time or which may consist of the entire Board. The purpose of the Committee shall be to review and evaluate proposals, plans and specifications submitted by Members for the construction, modification and repair of Dwelling Units and other improvements on or to the Lots, to recommend action to the Board, to investigate

possible violations of this Declaration, to carry out decisions of the Board and to take such other action as is authorized by the Board. The Board shall select one of the members of the Committee to serve as Chairman of the Committee. The Chairman so selected, when unavailable, shall appoint one of the other members of the Committee to serve as acting Chairman. The Committee shall be composed of such persons as are selected by the Board from time to time. At least one of the members of the Committee at all times shall be a member of the Board. Members of the Committee shall not be entitled to compensation for their services, unless otherwise approved by the Board.

11.2 Death or Resignation. In the event of the death, disability or resignation of any member of the Committee, the Board shall have full authority to designate a successor. The members of the Committee shall serve at the pleasure of the Board and may be removed with or without cause by the Board.

11.3 Approval Requirement. No building, fence, wall, antenna, exterior landscaping (except landscaping not Visible from Neighboring Property), awning, sunshade, or other improvement, attached to or detached from other structures, or other work that in any way alters the exterior appearance of any property within any Residential Area, shall be erected, placed, altered, maintained, or performed on any Lot until the plans and specifications, and the plans showing location of the structure or plot plan, have been approved by the Board, acting through the Committee, as to color, quality of workmanship and materials, harmony with the external design and color of the existing structures, and as to location with respect to topography and finished grade elevation, except any improvements constructed by Declarant or its affiliates or deemed necessary by Declarant.

11.4 Committee Review Fee. The Committee shall be allowed to charge a Member or other party submitting the plans a reasonable charge for reviewing and approving or disapproving the proposed plans. The charge shall be determined by the Board from time to time and shall be collected at the time of submission of the plans. The Committee shall not approve plans that are not accompanied by payment of the required charge.

11.5 Pre-Construction Submissions. Before a Member commences the construction or installation of any building, fence, wall or other structure on any Lot or any exterior alteration of, addition to or extension of any such structure: (a) the Member shall submit to the Chairman of the Committee, or to the acting Chairman of the Committee if the Chairman is absent or unavailable, five copies of the plans and specifications for the structure showing the nature, kind, shape, height, materials, color and location (as evidenced by a plot plan) of the proposed improvements, alterations, additions or extensions; and (b) the plans and specifications shall have been approved in writing by the Committee.

11.6 Review Period. The Chairman or acting Chairman of the Committee shall give the applicant a written, dated receipt for any submitted plans and specifications. If the Committee fails to mail or deliver a written approval or disapproval of the plans and specifications to the applicant within 60 days after the plans and specifications have been submitted, and no action

has been instituted to enjoin the proposed work, the plans and specifications shall be deemed to have been approved.

11.7 Return of Plans. If the Committee either approves or disapproves the plans and specifications in writing, it shall deliver or mail one set of the plans and specifications to the applicant with its written approval or disapproval and shall retain the other sets. If the Committee fails to mail or deliver its written approval or disapproval to the applicant within the sixty-day period hereinabove specified, it shall nevertheless return one set of the plans and specifications to the applicant on demand.

11.8 Review Criteria. The Committee shall have the right to disapprove plans and specifications submitted if, in its opinion (or in the opinion of the Board), the plans and specifications are not in accordance with all of the provisions of this Declaration or are not complete or if, in its opinion (or in the opinion of the Board), the design, color scheme or location of the proposed structure or improvement is not in harmony with the general surroundings and topography of the Lot or with other buildings and structures in the vicinity, or if the plans and specifications are incomplete. However, compliance with each stated criteria in this Declaration or in the Architectural and Landscape Guidelines shall not require approval of any plans or specifications and it is expressly acknowledged that the Committee will exercise aesthetic judgment, which cannot be reduced to objective criteria, in reaching its decisions. The Committee shall, in the exercise of its judgment and determination, act reasonably and in good faith. The decision of the Board, acting through the Committee, shall be final. Notwithstanding the foregoing, the Board shall have the right and power to overrule any and all decisions of the Committee.

11.9 Deviation of Plans; Liability. No changes or deviation in or from the plans and specifications approved by the Committee shall be made without the prior written consent of the Committee. Neither the Board, nor the Association, nor the Committee, nor any members of the Committee, shall be responsible in any way for any defects in any plans and specifications approved by the Committee, or for any structure or improvement erected, placed or maintained according to those plans or other specifications. By approving plans and specifications, the Board and the Committee do not assume any liability or responsibility for compliance with building or zoning ordinances, or for other applicable requirements of governmental authorities or industry standards.

11.10 Not Applicable to Declarant. Notwithstanding any of the provisions in this Section 11, the provisions and restrictions contained in this Section 11 shall not apply to Declarant until all Lots are sold and residences are constructed thereon.

11.11 Liability. Neither the Committee, nor any member of the Committee, nor the Board shall be liable to any Member or to any other party for any damage, loss or prejudice suffered or claimed on account of:

- (a) the approval or disapproval of any plans, drawings or specifications, whether or not defective;

- (b) the construction or performance of any work, whether or not pursuant to approved plans, drawings and specifications;
- (c) the development of any property within Robson Ranch Denton Resort Community;
- (d) the execution of any estoppel certificate, whether or not the facts therein are correct; or
- (e) the enforcement of this Declaration or of the Committee's guidelines or the granting of variances from the Committee's guidelines;

provided, however, that the person seeking the protection of this Section has acted in good faith on the basis of such information as may be possessed by him. The approval by the Committee of any plans, specifications or other matter shall not be deemed to constitute a waiver of any right to withhold approval of any similar plans, specifications or other matter subsequently submitted for approval.

12. RIGHTS AND POWERS OF ASSOCIATION

12.1 Association's Rights and Powers As Set Forth in Articles and Bylaws. In addition to the rights and powers of the Association set forth in this Declaration, the Association shall have such rights and powers as are set forth in its Articles and Bylaws, which shall include all rights and powers as may be reasonably necessary in order to effect the purposes of the Association as set forth herein. After incorporation of the Association, a copy of the Articles and Bylaws of the Association shall be available for inspection by Owners, prospective purchasers, mortgagees and other persons or entities with an interest in Robson Ranch Denton Resort Community at the office of the Association during reasonable business hours.

12.2 Enforcement of Provisions of This and Other Instruments. The Association, as agent and representative of the Owners, shall have the right (without obligation) to enforce, by any proceeding at law or in equity, terms of this Declaration, the Articles, Bylaws, Community Rules, the Architectural and Landscape Guidelines and any and all Covenants, restrictions, reservations, charges, servitudes, assessments, conditions, liens or easements provided for in this Declaration or in any contract, deed, declaration or other instrument that (a) has been executed pursuant to, or subject to, the provisions of this Declaration, or (b) otherwise indicates that the provisions of the instrument are intended to be enforced by the Association. The Association is authorized to impose sanctions for violations without court approval. Such sanctions may include reasonable monetary fines and suspension of the right to vote or use any recreational facilities on the Common Area as provided in Section 3.1((b)) hereof. In the event suit is brought or arbitration is instituted or an attorney is retained by the Association to enforce the terms of this Declaration or another document described in this Section 12.2 and the Association prevails, the Association shall be entitled to recover, in addition to any other remedy, reimbursement for

reasonable attorneys' fees, court costs, costs of investigation and other related expenses incurred in connection therewith including but not limited to the Association's administrative costs and fees. Such fees, costs and expenses shall be the personal liability of the breaching Member and shall also be secured by the Assessment Lien against the Member's Lot. If the Association fails or refuses to enforce this Declaration or any provision hereof for an unreasonable period of time after written request by an Owner to do so, then any Owner may enforce the provision of the Declaration at his own expense by any appropriate action, whether in law or in equity, but regardless of the outcome, no expenses of the action shall be paid for by the Association.

12.3 Contracts with Others for Performance of Association's Duties. Subject to the restrictions and limitations contained herein, the Association may enter into contracts and transactions with others, including Declarant and its affiliated companies, and such contracts or transactions shall not be invalidated or in any way affected by the fact that one or more directors or officers of the Association or members of any committee are employed by or otherwise connected with Declarant or its affiliates, provided that the interest is disclosed or known to the other directors acting upon the contract or transaction, and provided further that the transaction or contract is fair and reasonable. Any such director, officer or committee member may be counted in determining the existence of a quorum at any meeting of the Board or committee of which he is a member which shall authorize any contract or transaction described above or grant or deny any approval sought by Declarant, its affiliated companies or any competitor thereof and may vote at the meeting to authorize any such contract, transaction or approval with like force and effect as if he were not so interested.

12.4 Procedure for Change of Use of Common Areas. Upon (a) adoption of a resolution by the Board stating that in the Board's opinion the then-present use of a designated part of the Association Land or of the Association's interest in other Common Areas is no longer in the best interests of the Members and Residents, (b) the approval of the resolution by Declarant, and (c) if after the Transition Date, the approval of the resolution by a majority of the votes entitled to be cast by the Members voting in person or by proxy at a meeting duly called for such purpose, the Board shall have the power and right to change the use of such property (and in connection therewith, construct, reconstruct, alter or change the buildings, structures and improvements thereon in any manner deemed necessary by the Board to accommodate the new use), provided the new use (i) is for the benefit of the Members and Residents, as determined by the Board, and (ii) is consistent with any deed restrictions, zoning and other municipal regulations restricting or limiting the use of the land. Alternatively, after the Transition Date and upon satisfaction of subsections (a) and (b) above the proposed transaction shall be deemed approved by the Members and a meeting of the Members shall not be necessary if the Board notifies all Members in writing of the proposed change of use and of their right to object and no more than 10% of the total votes eligible to be cast object in writing within 30 days after the delivery of the notice.

12.5 Procedure for Transfer of Common Areas. The Association shall have the right to dedicate or transfer all or any part of the Common Areas owned by the Association to any public authority or utility as provided in Section 3.1((c)) hereof. In addition, the Association shall have the right to change the size, shape or location of the Common Areas, to exchange the Association's interest in Common Areas for other property or interests which become Common

Areas, and to abandon or otherwise transfer the Association's interest in Common Areas (to a nonpublic authority) upon (a) the adoption of a resolution by the Board stating that in the opinion of the Board, the change proposed benefits the Members and Residents and does not substantially and adversely affect them, (b) the approval of the resolution by Declarant, and (c) the approval of the resolution by a majority of the votes entitled to be cast by Members voting in person or by proxy at a meeting called for that purpose. Alternatively, the proposed transaction shall be deemed approved by the Members and a meeting of the Members shall not be necessary if the Board satisfies subsections (a) and (b) above and then notifies all Members in writing of the proposed transaction and of their right to object and no more than 10% of the total votes eligible to be cast object in writing within 30 days after delivery of the notice.

12.6 Use of Effluent. Sewage effluent may be used on the Common Areas and Golf Course Land provided the effluent is adequately treated for such use.

13. DURATION AND AMENDMENTS

13.1 Duration. This Declaration and the Covenants and other provisions hereof (as amended from time to time) run with the land and shall bind all persons having any interest in it, all Owners, and their heirs, legal representatives, successors and assigns until January 1, 2050. Thereafter, this Declaration and the Covenants and other provisions hereof shall be extended automatically for successive periods of five years each, unless not less than 30 days prior to the end of the initial term or any successive period of five years, they are amended or changed to provide otherwise or are terminated.

13.2 Amendments. Except as otherwise provided in this Section, amendments, changes or terminations must be approved in a written recorded instrument by Declarant (so long as Declarant owns any portion of the Community or serves as the manager of the Association) and by the Owners of fifty percent or more of the Lots (with one vote for each Lot owned, including those owned by Declarant), either at a meeting of the Members or without a meeting if all Members have been notified and if the Owners of fifty percent or more of the Lots consent to the amendment, change or termination in writing. Except as otherwise provided in this Section, amendments, changes or terminations shall be effected only by instruments in recordable form executed by Declarant and by the President or Vice President and the Secretary or Assistant Secretary of the Association and shall be recorded in the proper office of record.

13.3 Limitation on Amendments. Any amendment to this Declaration which limits or terminates membership in the Association must also be signed by 2/3 of the members of the Board.

13.4 Non-Retroactive Clause. Each person who acquires any interest in all or any part of Robson Ranch Denton Resort Community after the date hereof agrees to look for performance of, or relief deemed equitable for the enforcement of, the Covenants, and other terms, conditions and restrictions contained herein, only to those who are Owners when performance and/or relief is sought, except as otherwise provided in Section 7 hereof.

13.5 Requested Amendment. Anything in this Section 13 notwithstanding:

13.5.1 Governmental or Financing Requirements. Declarant reserves the right to amend all or any part of this Declaration to such an extent and with such language as may be requested by "Governmental Mortgage Agencies" or by any other federal, state or local governmental agency that requests such an amendment as a condition precedent to the agency's approval of this Declaration, or by any federally chartered lending institution as a condition precedent to lending funds upon the security of any Lot or Dwelling Unit or any portions of Robson Ranch Denton Resort Community. Any such amendment shall be effected by the Declarant recording a Certificate of Amendment duly signed by or on behalf of the authorized agents, or authorized officers of Declarant, as applicable, with their signatures notarized, specifying the Governmental Mortgage Agency, the federal, state or local governmental agency or the federally chartered lending institution requesting the amendment and setting forth the amendment requested by such agency or institution. Recordation of such a Certificate shall be deemed conclusive proof of the agency's or institution's request for the amendment, and the Certificate, when recorded, shall be binding upon all of Robson Ranch Denton Resort Community and all persons having an interest therein. For purposes of this Section 13.5, "Governmental Mortgage Agency" means the Federal Housing Administration, the Veterans Administration, the Federal Home Loan Mortgage Corporation, the Government National Mortgage Association or the Federal National Mortgage Association or any similar entity, public or private, authorized, approved or sponsored by any governmental agency to insure, guarantee, make or purchase mortgage loans.

13.5.2 Substitute Control Amendment. It is the desire of Declarant to retain substantial control of the Association and its activities during the anticipated period of planning and development until the Transition Date. If any amendment requested pursuant to the provisions of this Section 13.5 deletes, materially diminishes or materially alters that control, Declarant shall have the right to prepare, provide for and adopt an amendment implementing other and different provisions to achieve comparable control, by executing and recording an amendment hereto without the approval or vote of any other person.

13.5.3 Housing for Older Persons. Residential Areas of Robson Ranch Denton Resort Community are intended to provide housing for persons 55 years of age and older as an age-restricted community in compliance with all state and federal laws. Subject to the Requirements for Exemption set forth below, all occupied Dwelling Units must be occupied by at least one person who is 40 years of age or older and no person under 19 years of age may reside permanently at Robson Ranch Denton Resort Community. The Board, in its sole discretion, shall have the right and power to establish Robson Ranch Denton Rules allowing for limited periods of occupancy by persons under the age of 19. By way of illustration, but not limitation, of the preceding sentence, Robson Ranch Denton Rules may limit (i) the number of days consecutively, (ii) the number of days within a period such as a month, and (iii) the number of times within a period such as a year, in which occupancy by any person under the age of 19 will be permitted.

(a) Title VIII of the Civil Rights of 1968 (as amended, the "Fair Housing Act") prohibits discrimination in the sale, rental and financing of dwellings based on familial status; that is, discrimination based on the domicile of individuals under 18 years of age. However, the Fair Housing Act provides that a community is exempt from this restriction if the community meets certain standards. The standards for exemption were provided for in the federal Housing for Older Persons Act of 1995 (as amended, "HOPA").

(b) HOPA and regulations promulgated thereunder provide an exemption from the familial discrimination provisions of the Fair Housing Act when the following requirements ("Requirements for Exemption") are satisfied: (i) the community is intended for occupancy by persons aged 55 and older, (ii) at least 80% of the occupied dwelling units are occupied by at least one person 55 or older, and (iii) the community publishes policies and procedures that demonstrates its intent to qualify for the exemption.

(c) Declarant intends that the Residential Areas of the Community comply with the Requirements for Exemption. Therefore, (i) at least one occupant in each occupied Dwelling Unit must be 55 or older, except as provided below; (ii) the Board is directed to publish and adhere to policies and procedures that demonstrate an intent to provide housing for persons 55 and older, and (iii) the Board is directed to comply with rules issued by the Secretary for Housing and Urban Development for verification of occupancy requirements.

(d) The Requirements for Exemption contemplate that up to 20% of the occupied units in a community may be occupied by persons who are under the age of 55 without loss of the exemption and that the 80% requirement does not apply until 25% of the units in the community are occupied. Accordingly, the Board, upon application by an Owner, tenant, purchaser or proposed lessee, shall have the right and option, in the Board's sole and absolute discretion, to allow a Dwelling Unit to be occupied by persons who are all under the age of 55 provided at least one occupant of the Dwelling Unit is at least 40 and further provided that the Board takes appropriate action to comply with the Requirements for Exemption. The Board shall exercise its discretion based upon criteria that the Board shall determine, which shall include (by way of illustration and not limitation) information then known to the Board concerning potential or pending changes in occupancy of other Dwelling Units, if any, and the ages of any likely remaining occupants of any such Dwelling Units, proximity to the age of 55 of those occupants of other Dwelling Units then under the age of 55, and any other information known to and deemed relevant by the Board in its sole discretion. The Board shall have the right and power to promulgate rules and requirements as a part of the Community Rules to the extent necessary or convenient to comply with the Requirements for Exemption.

(e) Notwithstanding the foregoing, Declarant shall have the right to convey Dwelling Units owned by Declarant to purchasers who intend that the Dwelling Units be occupied initially by at least one person who is 40 or older, but not by anyone who is 55 or older. However, for so long as the Fair Housing Act is in effect, Declarant will take reasonable action to ensure that such conveyances by Declarant to purchasers under the age of 55 do not constitute a violation of the Requirements for Exemption. Each Dwelling Unit shall at the first change of occupancy thereafter be subject to the requirement that at least one (1) occupant be fifty-five (55) years of age or over unless waived by the Board pursuant to the provisions of this Section 13.5.

(f) Declarant may, in any Tract Declaration, specify that the portions of the Community subject to the particular Tract Declaration will not be included in the portions of the community intended to be housing for older persons or to be subject to the Requirements for Exemption.

13.6 Rule Against Perpetuities. If any of the provisions, privileges, Covenants or rights created by or set forth in this Declaration is unlawful, void or voidable for violation of the rule against perpetuities, then the provision shall continue until 21 years after the death of the survivor of the now living descendants of Edward J. Robson and the now living descendants of Texas Governor George W. Bush.

14. ANNEXATION AND DE-ANNEXATION OF PROPERTY

14.1 Right of Annexation. Declarant expressly reserves the right at any time to expand Robson Ranch Denton Resort Community, without the consent of any Owner, Member, mortgagee or any other person, by annexing all or any portion of the Annexable Property. The annexation of any or all of the Annexable Property shall be accomplished by Declarant recording a Tract Declaration with the County Recorder of Denton County, Texas, which subjects the annexed property to the Declaration and includes the legal description of the Annexable Property being annexed. Any such Tract Declaration may, in Declarant's discretion, establish the Land Use Classification of the Annexed Property. Declarant shall not be obligated to annex all or any portion of the Annexable Property. Declarant may annex noncontiguous portions of the Annexable Property. A Tract Declaration annexing property as permitted hereunder may contain such complementary additions and modifications of the Covenants and other provisions contained in this Declaration as may be necessary or appropriate, in Declarant's sole discretion, to reflect the different character, if any, of the annexed property and as are not materially inconsistent with this Declaration.

14.2 De-annexation of Parcels. Declarant expressly reserves the right at any time to de-annex any Parcel from Robson Ranch Denton Resort Community and from the scope of this Declaration, without the consent of any Owner, Member, mortgagee or other person, other than the Owner of the Parcel being de-annexed. The de-annexation of a Parcel shall be accomplished by Declarant recording a certificate of de-annexation executed by Declarant and the Owner of the Parcel (if other than Declarant).

15. MISCELLANEOUS

15.1 Exemption of Declarant from Restrictions. Notwithstanding anything to the contrary in this Declaration, none of the Covenants or other provisions in this Declaration shall be construed or deemed to limit or prohibit any act of Declarant, its employees, agents and contractors, or parties designated by it in connection with the construction, completion, marketing and sale of any portion of Robson Ranch Denton Resort Community.

15.2 Limitation on Declarant's Liability. Notwithstanding anything to the contrary in this Declaration, each Owner, by accepting any interest in any portion of Robson Ranch Denton Resort Community and becoming an Owner, acknowledges and agrees that neither Declarant (including without limitation any assignee of the interest of Declarant hereunder), nor any partner, officer, director or shareholder of Declarant (or any partner or shareholder in any such assignee), shall have any personal liability to the Association, or any Owner, Member or any other person, arising under, in connection with, or resulting from (including without limitation resulting from action or failure to act with respect to) this Declaration or the Association except, in the case of Declarant (or its assignee), to the extent of its interest in the property served by the Association. In the event of a judgment, no execution or other action shall be sought or brought thereon against any other assets or be a lien upon such other assets of the judgment debtor.

15.3 Use of Recreational Facilities. Declarant and its employees, guests and designees may use the clubhouse and other recreational facilities, and if there is more than one, all clubhouses and recreational facilities, located in Robson Ranch Denton Resort Community for sales, promotional and other purposes, as long as Declarant is the owner of any real property located within Robson Ranch Denton Resort Community, regardless of whether or not legal title to one or more of the Common Areas passes to the Association. No portion of the facilities and amenities located within Robson Ranch Denton Resort Community and commonly known as a "clubhouse" shall be used by anyone other than Declarant for the purpose of soliciting any prospective purchaser being escorted or shown through or viewing the clubhouse at the invitation of Declarant, its sales agents or employees. No one, other than Declarant, its sales agents or employees, shall use any part of a clubhouse to consummate the purchase or sale of any property whatsoever. Nothing herein shall be construed to prevent anyone from showing a clubhouse or any other part of the Association facilities or Common Areas to any prospect or customer.

15.4 Blanket Easement. Declarant shall have the right to grant or create easements over, across or under the Common Areas, roadways, open spaces, Golf Course Land or any other part of Robson Ranch Denton Resort Community (other than Lots conveyed to other parties) which, in its sole discretion, are required or convenient for development purposes.

15.5 Security Systems.

15.5.1 The Association shall have the right, but not the obligation, to enter into one or more agreements with one or more companies engaged in the business of installing, maintaining and/or monitoring fire, burglary and/or other alarm systems in the State of Texas

(each, a "Security Company") pursuant to which the Association or a Security Company will install a security system in houses within all or a portion of Robson Ranch, provide security monitoring services for such houses, and charge the Association for such services. If the Association enters into any such agreement(s), then Owners of houses in which such security systems were installed may be required to pay additional Assessments (but not in excess of the Maximum Annual Assessments) to reflect security monitoring services offered for such houses, regardless of whether or not the homeowners elect to use such security systems or services. Ownership of any security system installed in accordance with this section remain with the Association or a Security Company, rather than the Owners, and the Owners shall not have the right to use or remove such systems other than as approved by the Association. Neither Declarant nor the Association shall have any obligation to enter into any agreement with a Security Company of the type described in this Section 15.5.1, nor shall Declarant or the Association have any obligation to provide security monitoring services itself. Each Member understands and agrees that the Association is not and cannot be responsible for the personal safety of the Members.

15.5.2 Each Member understands and agrees that neither Declarant, the Association nor any Security Company retained by the Association is an insurer for the Members. It is not the intention of the Declarant, the Association, any Security Company or any Member that Declarant, the Association or any Security Company, by virtue of this Section 15.5 or because of the relationship hereby established, assume responsibility other than as otherwise provided by law, in equity or by statute, for any loss sustained through burglary, theft, robbery, fire or any similar events caused by any third party. Each Member acknowledges that it is impractical and extremely difficult to fix the actual damages, if any, which may proximately result from a failure of the Association or any Security Company retained by the Association to properly install, maintain or monitor security systems with resulting loss to the Member or any third party because of, among other things:

- (a) The uncertain amount of value of the property kept in the residences which may be lost, stolen, destroyed, damaged or otherwise affected by occurrences which the security services are intended to avert;
- (b) The uncertainty of the response time of any police or fire department, should the police or fire department be dispatched as a result of a notification by the Association or a Security Company; and
- (c) The inability to ascertain what portion, if any, of any loss would be proximately caused by the Security Company's failure to perform its obligations.

15.5.3 EACH MEMBER UNDERSTANDS AND AGREES THAT IF DECLARANT, THE ASSOCIATION OR ANY SECURITY COMPANY SHOULD BE FOUND LIABLE FOR LOSS OR DAMAGE DUE TO A FAILURE OF DECLARANT, THE ASSOCIATION OR ANY SECURITY COMPANY TO PROPERLY PROVIDE THE SERVICES DESCRIBED IN THIS SECTION 15.5 IN ANY RESPECT WHATSOEVER, THE LIABILITY OF DECLARANT, THE ASSOCIATION AND ANY SECURITY COMPANY

SHALL BE LIMITED TO THE SUM OF TWO HUNDRED FIFTY DOLLARS (\$250.00) FOR EACH SUCH OCCURRENCE; THAT NEITHER DECLARANT, THE ASSOCIATION NOR ANY SECURITY COMPANY SHALL BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES EXCEPT TO THE EXTENT OF THE AMOUNT HEREIN PROVIDED; AND THAT THE PROVISIONS OF THIS SECTION SHALL APPLY IF LOSS OR DAMAGE, IRRESPECTIVE OF CAUSE OR ORIGIN, RESULTS DIRECTLY OR INDIRECTLY TO PERSONS OR PROPERTY, FROM PERFORMANCE OR NONPERFORMANCE OF THE OBLIGATIONS IMPOSED BY THIS SECTION, OR FROM NEGLIGENCE, ACTIVE OR OTHERWISE, OF DECLARANT, THE ASSOCIATION, ANY SECURITY COMPANY, OR THEIR RESPECTIVE AGENTS, SERVANTS, ASSIGNS OR EMPLOYEES.

15.6 Private Roadways and Guard Gates. Except as otherwise provided in an applicable plat, Tract Declaration or easement executed by Declarant, use of the private roadways within Robson Ranch Denton Resort Community, if any, shall be limited to Declarant, Owners, Members and Residents, tenants of Commercial Areas, their employees, guests and invitees, applicable governmental agencies and entities, and those who are entitled to use the Golf Course Land or snack bar. The Board shall have the right to assess the Members for the repair, reconstruction, replacement and maintenance of the private roadways, curbs and gutters, the electricity for street lighting and the operation and maintenance of guard gates, guard stations and guard service pursuant to Section 7 hereof. Neither Declarant nor any Owner of the Golf Course shall be assessed or charged in any way for normal wear and tear on the private roadways caused by its guests, customers, agents, employees, subcontractors, or other persons entitled to use the Golf Course Land. Declarant reserves the right, in its sole discretion, to cause title to all or any part of the private roadways to be conveyed to the Association or an Ancillary Association at any time. Until private roadways are conveyed to the Association or an Ancillary Association, Declarant reserves the right to cause all or any part of the private roadways to be dedicated to the public.

15.7 Transfer of Title to the Common Areas. Declarant shall transfer the Common Areas to the Association on the Transition Date, or shall transfer all or any part of the Common Areas to the Association sooner at Declarant's sole discretion. The condition of the facilities at the time of transfer shall be reasonable subject to normal wear and tear. The Common Areas may, upon transfer, be subject to mortgages or encumbrances securing indebtedness of the Association, provided the indebtedness was incurred for the operation of the Association or payment of the debts or obligations of the Association. Declarant shall have no obligation to the Association or to any Member or other person to pay any such indebtedness or the interest thereon.

15.8 Interpretation of the Covenants. Except for judicial construction, the Association, by its Board, shall have the exclusive right to construe and interpret the provisions of this Declaration that are applicable to Residential Areas. In the absence of any adjudication to the contrary by a court of competent jurisdiction, the Association's construction or interpretation of the provisions of this Declaration that are applicable to Residential Areas shall be final, conclusive and binding as to all persons and property benefited or bound by the Covenants.

15.9 Severability. Any determination by any court of competent jurisdiction that any provision of this Declaration is invalid or unenforceable shall not affect the validity or enforceability of any of the other provisions hereof.

15.10 Change of Circumstances. Except as otherwise expressly provided in this Declaration, no change of conditions or circumstances shall operate to extinguish, terminate or modify any of the provisions of this Declaration.

15.11 Rules and Regulations. In addition to the right to adopt rules and regulations on the matters expressly mentioned elsewhere in this Declaration, the Association (through its Board and committees) shall have the right to adopt rules and regulations with respect to all other aspects of the Association's rights, activities and duties, provided the rules and regulations are not materially inconsistent with the provisions of this Declaration.

15.12 Declarant's Disclaimer of Representations. Anything to the contrary in this Declaration notwithstanding, and except as otherwise may be expressly set forth on a recorded plat or other instrument recorded in the office of the County Recorder of Denton County, Texas, Declarant makes no warranties or representations whatsoever that the plans presently envisioned or the complete development of Robson Ranch Denton Resort Community can or will be carried out, or that any land now owned or hereafter acquired by Declarant is or will be subjected to this Declaration or any other declaration, or that any such land (whether or not it has been subjected to this Declaration) is or will be committed to or developed for a particular (or any) use, or if that land is once used for a particular use, that use will continue in effect. Without limiting the generality of the foregoing, Declarant expressly reserves the right at any time and from time to time to amend the Master Development Plan.

15.13 No Warranty of Enforceability. Declarant makes no warranty or representation as to the present or future validity or enforceability of any Covenants contained in this Declaration. Any Owner acquiring a Lot or Parcel in Robson Ranch Denton Resort Community shall assume all risks of the validity and enforceability hereof and, by acquiring any Lot or Parcel, agrees that Declarant shall have no liability therefor.

15.14 References to the Covenants in Deeds. Deeds or any instruments affecting any part of Robson Ranch Denton Resort Community may contain a reference to the Covenants herein set forth; but regardless of whether any such reference is made in any Deed or instrument, each and all of the Covenants shall be binding upon the grantee Owner or other person claiming through any such instrument and his heirs, executors, administrators, successors and assigns.

15.15 Gender and Number. Wherever the context of this Declaration so requires, words used in the masculine gender shall include the feminine and neuter genders, words used in the neuter gender shall include the masculine and feminine genders, words in the singular shall include the plural, and words in the plural shall include the singular.

15.16 Captions and Titles. All captions, titles or headings of the Sections in this Declaration are for the purpose of reference and convenience only and are not to be deemed to

limit, modify or otherwise affect any of the provisions hereof or to be used in determining the intent or context thereof.

15.17 Notices. If notice of any action or proposed action by the Board or of any committee or of any meeting is required by applicable law, this Declaration or resolution of the Board to be given to any Owner, Member or Resident then, unless otherwise specified herein or in the resolution of the Board or otherwise required by applicable law, the notice requirement shall be deemed satisfied if notice is published once in any newspaper in general circulation within ROBSON RANCH DENTON RESORT COMMUNITY. This Section shall not be construed to require that any notice be given if not otherwise required, and shall not prohibit satisfaction of any notice requirement in any other manner. If notice is made by mail, it shall be deemed to have been delivered and received 24 hours after a copy has been deposited in the United States mail, postage prepaid, addressed to the address given to the Association for the purpose of service of notice, or to the address of the Lot, Parcel or Dwelling Unit owned by the person if no other address has been given. Notice to the Board shall be delivered or sent certified mail to the office of the Association.

15.18 Litigation. After the Transition Date, no judicial or administrative proceedings shall be commenced or prosecuted by the Association unless approved by Members holding 75% percent of the outstanding votes eligible to be cast. This Section shall not apply, however, to (a) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens), (b) the imposition and collection of Assessments as provided in Section 7 hereof, (c) proceedings involving challenges to taxation, or (d) counterclaims and other claims brought by the Association in suits instituted against it. This Section shall not be amended unless the amendment is made by Declarant or is approved by the percentage votes necessary to institute proceedings as provided above.

15.19 Use of the Words "Robson Ranch Denton Resort Community". No person other than Declarant shall use the words "Robson Ranch Denton Resort Community" or any derivative thereof in any printed or promotional material without the prior written consent of Declarant. However, Members may use the term "Robson Ranch Denton Resort Community" in printed or promotional material where the term is used solely to specify that the particular property is located within Robson Ranch Denton Resort Community.

15.20 Governing Law. This Declaration shall be governed by and construed in accordance with the laws of the State of Texas.

IN WITNESS WHEREOF, the undersigned have executed this Declaration as of the day and year first above written.

**SUPPLEMENTAL TRACT DECLARATION
OF
COVENANTS, CONDITIONS AND RESTRICTIONS
REGARDING WELL-SITE LOCATIONS**

This Supplemental Tract Declaration (this "Tract Declaration") is executed as of the 24th day of September, 2001, by ROBSON DENTON DEVELOPMENT, LP, an Arizona limited partnership ("Declarant").

RECITALS:

A. Declarant executed the Declaration of Covenants, Conditions and Restrictions of Robson Ranch Denton Resort Community, dated November 7, 2000, which Declaration was recorded in the Real Property Records of Denton County, Texas on November 8, 2000, at Volume 4713, page 1270, *et. seq.* (the "Declaration"). Portions of the real property illustrated on the attached Exhibit "A" are part of the Robson Ranch Denton Resort Community, and the balance of the real property illustrated on Exhibit "A" is expected to be annexed into Robson Ranch Denton Resort Community some time in the future.

B. As provided in Section 4.2.9 of the Declaration, Declarant has reserved to itself and its designees all of Declarant's right, title and interest in and to all water, oil, gas and minerals from the Community, including but not limited to the right to extract such materials. The purpose of this Tract Declaration is to confirm that notwithstanding such reservation, no oil or gas well-sites will be located within the real property identified as "Restricted Area" on the attached Exhibit "A" (the "Restricted Area").

DECLARATION:

Now, therefore, Declarant declares as follows:

1. No Oil or Gas Well-Sites Within Restricted Area. No portion of the surface of the Restricted Area shall be used for well-sites for the purpose of extracting gas or oil from beneath the Restricted Area. Oil and gas from the Restricted Area shall not be extracted by means of well-sites located within the Restricted Area. However, Declarant and its designees shall have the right to extract gas and oil from beneath the Restricted Area by means of well-sites located outside of the Restricted Area, such as without limitation by means of directional drilling under the Restricted Area from well-sites located outside of the Restricted Area.

2. Not Applicable To Water Wells. The limitation on well-sites set forth in the preceding section applies only to oil and gas wells, but not to water, aquifer recharge wells or other wells.

3. Disclaimer Regarding Layout. The street, lot and common area layout depicted on Exhibit "A" is preliminary only and is subject to change without notice and without amendment to this Tract Declaration.

4. Run With the Land. This Tract Declaration is intended to run with the title to each portion of the Restricted Property for the benefit of each other portion of the Restricted Property.

IN WITNESS WHEREOF, Declarant has executed this Tract Declaration as of the date first above written.
